Steps to Complete Open Enrollment

Not sure where to start? The following steps will help you complete Open Enrollment by October 31.

1. **Review Open Enrollment Materials**
   Review this Open Enrollment guide completely.

2. **Ask Questions or Learn More**
   *Page 2* provides contact information for MSU Human Resources and our benefit providers. *Page 7* offers opportunities to ask questions or learn more about your benefit options.

3. **Make Decisions**
   Read *page 6* to determine if you need to take any action by October 31.

4. **Take Action by October 31**
   *Page 8* provides instructions to complete the spouse/other eligible individual (OEI) affidavit and enroll in, change or cancel health, dental, life insurance or flexible spending accounts.
   *Page 28* provides instructions to enroll in, change or cancel voluntary benefits. *You may only enroll in, change or cancel vision, legal and critical illness insurance during the Open Enrollment period.*

5. **Other Items to Consider**
   You may want to check if your life insurance beneficiaries are correct (if applicable). Find instructions at [hr.msu.edu/benefits/beneficiaries.html](http://hr.msu.edu/benefits/beneficiaries.html).
New and Notable Information

Read the following important changes, updates, and/or reminders regarding this year’s Open Enrollment and the 2023 plan year. Visit the HR website (hr.msu.edu) for the most updated information.

Guidance for Remote/Hybrid Employees

Many MSU employees are now working in a remote or hybrid situation. If this includes you, please review the important guidance on health care (page 10) and dental plan (page 21) options prior to enrolling in a plan.

Premium Threshold for Spousal/OEI Affidavit

You must review and complete the spouse/other eligible individual (OEI) affidavit in the EBS Portal each year to continue coverage for your spouse/OEI. If your spouse/OEI has access to health care coverage through their own current or former employer, they must purchase the coverage their own employer offers if the annual employee premium cost for single-person coverage is $1,500 or less. You may still cover your spouse/OEI on your MSU health coverage as a secondary plan.

Difference Between Dependent Care and Health Care Flexible Spending Accounts

You must enroll or re-enroll in an FSA each year. Eligible employees can enroll in two different FSAs: Dependent Care FSA and/or Health Care FSA. Before you enroll, make sure you know the difference between the two options. Learn more on page 26.

Review Your Voluntary Benefit Options, Such as Vision, Legal and Critical Illness Insurance

Some voluntary benefits – like vision, legal, and critical illness insurance – require you to enroll in, make changes or cancel during the Open Enrollment period. Learn more on page 28.

Child Dependent Age Criteria

Dependents can be covered up to age 26 for health care and age 23 for dental care and life insurance. Your dependents will be removed from health and dental care once they reach the age limit and will have the option to enroll in COBRA. You must disenroll your dependent from life insurance during Open Enrollment once they reach the age limit.

Increase to ARAG Legal Insurance Premiums

Monthly premiums for voluntary legal insurance through ARAG have increased for the 2023 plan year. Visit MSUBenefitsPlus.com to view updated rates. Find instructions to enroll, change or cancel coverage on page 28.
Do I Need to Do Anything?

Not sure if you need to take any action during Open Enrollment? As an MSU benefits-eligible employee, answer true or false to the following statements:

1. I currently cover a spouse/other eligible individual (OEI) under my health benefits (who is NOT an MSU benefits-eligible employee or retiree), and I want to continue their coverage in 2023. You must complete a Spouse/OEI affidavit every plan year to continue coverage.

   TRUE ❌ FALSE ✔

2. I want to enroll in, change or cancel health or dental insurance coverage for myself and/or my eligible dependent(s). Eligible employees that enroll in the CDHP should enroll in the HSA during Open Enrollment to receive MSU’s contribution.

   TRUE ❌ FALSE ✔

3. I want to waive my health care coverage through MSU. See page 12 for instructions.

   TRUE ❌ FALSE ✔

4. I want to enroll or re-enroll in a Flexible Spending Account (FSA). You must re-enroll every plan year.

   TRUE ❌ FALSE ✔

5. I want to enroll in, change or cancel life or accidental death & dismemberment insurance for myself and/or my eligible dependent(s).

   TRUE ❌ FALSE ✔

6. I want to enroll in, change or cancel voluntary vision, legal, or critical illness insurance for myself and/or my eligible dependent(s). See page 28 for instructions.

   TRUE ❌ FALSE ✔

Your Result

If you selected true for any of the above statements, you MUST take action between October 1 – 31. See page 8 for instructions. If you only selected false for the above statements, you do not need to take any action. However, we strongly encourage you to review your benefit options to make sure you’re getting the best coverage.

Open Enrollment Instructions

Find instructions below to enroll in, change or cancel health, dental, life insurance or flexible spending accounts through the EBS Portal (ebs.msu.edu) between October 1–31.

FOLLOW THESE STEPS:

2. Click the My Benefits top navigation tab.
3. Click the Benefit/Retirement tile. Select Open Enrollment from the dropdown menu, then click Next.
4. A CDHP/HSA plan disclaimer will appear (regardless of your eligibility for CDHP/HSA). Read and click OK.
5. If the Health Plan Affidavit for Spouse/OEI appears, answer Yes or No and click Next. The following statement will confirm your answer. If the information is correct, click Next.
6. On the Personal Profile screen, verify name and address information and click Next. To make corrections, follow the steps at hr.msu.edu/ebshelp/personalprofile/addresses.html.
7. On the Dependents screen, verify all family members/dependents and click Next. If information is missing, exit enrollment and submit the Add a Family Member or Dependent form. If it is inaccurate, contact MSU HR.
8. The Benefits Summary screen displays current coverage. When finished reviewing, click Next.
9. The next screens display the different plans available (health plans, flexible spending accounts, life/accident plans, etc.). You can Add, Edit or Delete enrollment in these plans. To exit, click Cancel—all changes will be lost.
10. When you reach the Review and Save screen you can Add, Change or Remove coverage by using the top navigation to navigate back to previous screens. Click Save.
11. On the final screen, review information on the Benefit Elections Summary. You have the option to click additional links such as MSU Benefits Plus or Retirement/Health Savings Accounts.
12. You’re done! You should receive a confirmation email shortly after completing Open Enrollment.

ADDITIONAL ENROLLMENT INFORMATION

Voluntary Benefits
Find instructions to enroll in, change or cancel voluntary benefits (vision, legal or critical illness) on page 28.

Retirement Programs
Learn more about the MSU retirement programs available on page 31.

Qualifying Life Event
During Open Enrollment (Oct. 1-31) you make important decisions that impact the upcoming plan year. After the Open Enrollment period has ended you will not be able to make changes to your benefits, including:

- Enroll in, change or cancel health or dental coverage for you or your dependent(s).
- Add yourself or additional dependents to health or dental coverage.
- Enroll in, change or cancel life or accidental death and dismemberment insurance.
- Enroll or re-enroll in a flexible spending account.
- Enroll in, change or cancel voluntary vision, legal or critical illness insurance.

Outside of Open Enrollment changes can be made to your benefits for certain qualifying life events, including marriage, childbirth/adoption, loss of existing coverage for you and your family members or retirement. Changes must be made within 30 days of the qualifying event. Learn more at hr.msu.edu/benefits/life-change.
Glossary of Terms

**Allowed Amount:** Maximum amount on which payment is based for covered health care services. If your provider charges more than the allowed amount, you may have to pay the difference.

**Academic Year Appointment (AY):** Refers to a full 12-month period with a nine-month assignment of duties and responsibilities.

**Annual Year Appointment (AN):** Refers to a full-year assignment of duties and responsibilities, including periods of annual leave and paid holidays.

**Coordination of Benefits (COB):** A provision to help avoid claims payment delays and duplication of benefits when a person is covered by two or more plans providing benefits or services for medical, dental or other care/treatment. One plan becomes the “primary” plan and the other becomes the “secondary” plan. This establishes an order in which the plans pay their benefits.

**Co-pay:** A fixed amount you pay for a covered health care service, usually when you receive the service. The amount can vary by the type of service.

**Deductible:** A set dollar amount that you must pay out-of-pocket toward certain health care services before insurance starts to pay. Deductibles run on a calendar-year basis.

**Durable Medical Equipment (DME):** Equipment and supplies ordered by the health care provider for everyday or extended use. Coverage for DME may include: oxygen equipment, wheelchairs, crutches or blood testing strips for diabetics.

**In-network:** Refers to the use of health care professionals who participate in the health plan’s provider and hospital network.

**Out-of-network:** Refers to the use of health care professionals who are not contracted with the health insurance plan.

**Out-of-pocket Maximum(s):** The highest amount you are required to pay for covered services. Once you reach the out-of-pocket maximum(s), the plan pays 100% of expenses for covered services.

**Prior Authorization:** A decision by your health insurer or plan that a health care service, treatment plan, prescription drug or durable medical equipment is medically necessary. Sometimes called preauthorization, prior approval or precertification. Your health insurance or plan may require prior authorization for certain services before you receive them, except in an emergency. Prior authorization isn’t a promise your health insurance or plan will cover the cost.

**Premium:** The amount that must be paid for your health insurance or plan. You and/or your employer usually pay it monthly, quarterly or yearly.

**Referral:** Specific directions or instructions from your primary care physician that direct a member to a participating health care professional for medically necessary care. A referral may be written or electronic.
Guidance for Remote/Hybrid Employees
Many MSU employees are now working in a remote or hybrid situation. If this includes you, please review the following important guidance prior to enrolling in a health care plan.

Employees in Michigan
If you live in Michigan you may enroll in the Blue Care Network (BCN), Community Blue PPO or Consumer Driven Health Plan (CDHP) with Health Savings Account (HSA).

Employees Outside of Michigan
If you live outside of Michigan but within the USA, please note the following:
- You are not eligible to enroll in the BCN plan.
- Please make sure your providers participate when enrolling in a health plan.
- If you choose to enroll in the CDHP with HSA, please find information on how to submit an offline enrollment form on the following page.

International Employees
MSU employees who are here on a J1 or J2 visa or are actively working for MSU and living outside the USA for a minimum of 6 months are eligible to enroll in the Cigna Global Health Advantage (CGHA) insurance plan. See page 12 for more information.

Guidance for Spouses/Other Eligible Individuals that Both Work at MSU
MSU only allows coverage under one health care plan per eligible employee. You have two options if you and your spouse/OEI both work at MSU:
1. You can both have your own plans OR
2. You can have one plan with one of you listed as a dependent.

You may wish to cover the entire family on one plan to reduce your employee premium contributions.

Blue Care Network (BCN)
Who is Eligible to Enroll?
Only employees that live in the state of Michigan are eligible to enroll.

Find a BCN Provider or Ask Questions
For questions about specific coverage details or to find a provider visit bcbsm.com or call 1-800-662-6667.

About BCN
BCN is a Health Maintenance Organization (HMO), which means you select and work closely with a primary care physician to manage your care. Deductibles, co-insurance and prior authorization requirements apply in some circumstances.

The in-network deductible is $100 per individual and $200 per family. After meeting the deductible, a 20% co-insurance may apply, up to a maximum of $3,000/single or $6,000/family, per calendar year.

Highlights of the BCN Plan:
- Lower premium cost.
- Access coverage with BlueCard when traveling out-of-state and Blue Cross Blue Shield Global Core for traveling outside of the USA.
- Plan does not require a referral, but some services are subject to prior authorization.
- You must choose a primary care physician.

For more information, see the Health Plan Coverage Chart on page 16.

Community Blue PPO
Who is Eligible to Enroll?
Employees that live in the USA are eligible to enroll. Please confirm there is a provider in your area prior to enrolling.

Find a Provider or Ask Questions
For questions about specific coverage details or to find a provider visit bcbsm.com or call 888-288-1726.
About Community Blue PPO
Community Blue is a Preferred Provider Organization (PPO), which gives you the flexibility to manage your own care. Deductibles, co-insurance and prior authorization requirements apply in some circumstances. There is a worldwide network of participating PPO physicians and hospitals.

The deductible for in-network services is $100/single or $200/family and $250/single or $500/family for out-of-network services. After meeting the out-of-network deductible, a 20% co-insurance may apply, up to a maximum of $2,000/single or $4,000/family, per calendar year.

Highlights of the Community Blue PPO Plan:
- Does not have an in-network deductible requirement.
- Higher premium cost.
- More flexibility in managing care.
- Does not require you to choose a primary care physician.

For more information, see the Health Plan Coverage Chart on page 16.

Consumer Driven Health Plan (CDHP) PPO with Health Savings Account (HSA)

Who is Eligible to Enroll?
Faculty and academic staff employees that live in the USA are eligible to enroll. Please confirm there is a provider in your area prior to enrolling.

How do I Enroll?
Eligible employees are unable to enroll in this plan through the EBS Portal. Please submit the offline enrollment form found at hr.msu.edu/open-enrollment/documents/OE-Offline-Enrollment-Form.pdf to the HR Solutions Center. You may submit forms via email to SolutionsCenter@hr.msu.edu if it does not contain a social security number. You may also drop the form off at the secure mailbox located outside the HR building at 1407 S. Harrison Rd., East Lansing, 48823 or mail the form to this address.

Find a Provider or Ask Questions
For questions about specific CDHP coverage details or to find a provider call Blue Cross Blue Shield of Michigan at 877-354-2583. For questions about the HSA, contact Health Equity at 888-288-1726.

About the Consumer Driven Health Plan
The CDHP is a preferred provider organization (PPO), which gives you the flexibility to manage your own care. The provider network for this plan is the same as the Community Blue PPO plan, which means you can choose from a worldwide network of participating PPO physicians and hospitals.

If you do not anticipate having high health care needs and are looking for a sound strategy to save for your retirement health care, this plan may be the most cost-effective option for you.

While you pay a deductible ($2,000/single and $4,000/family) first before the plan pays medical and prescription benefits, preventive care and certain generic medications for chronic conditions (asthma, cholesterol, diabetes, and anti-hypertensives) are 100% covered with no deductible or co-pays when using an in-network provider.

Review the Health Plan Coverage Chart on page 16 to anticipate your annual costs. You may find that most of your annual medical costs are 100% covered.

This plan limits the maximum amount you pay for any covered services in a year to $3,000/single and $6,000/family using in-network providers. After expenses reach this amount, you do not have to pay for any other health care costs, including prescription drugs.

About the Health Savings Account
Along with the CDHP, you should enroll in the HSA at the same time. MSU contributes up to $750 to the HSA each year and you may add funds to the HSA tax-free. If you do not enroll during Open Enrollment, you will lose MSU’s contribution. You can use these HSA funds to pay for any eligible medical expenses or doctor visits you do incur. Employer and employee combined annual
HSA contributions are limited to the 2023 IRS limits of $3,850/single and $7,750/family. These contributions are triple tax-free! You make contributions pre-tax, your account balance earns interest tax-free, and your distributions are tax-free if they are used for eligible medical expenses.

**Please Note:** Due to IRS regulations, Health Care FSAs are not compatible with Health Savings Accounts (HSA). You are unable to participate in a Health Care FSA if you enroll in the HSA offered with the CDHP.

If you have an existing HSA from a previous employer you can add those funds into your new HSA. The money in the HSA is yours to take with you, even if you leave MSU for a different employer or retire. In fact, investing in your HSA now to use in your retirement is a sound strategy to fund your medical expenses in retirement.

**CIGNA Global Health Advantage (CGHA)**

**Who is Eligible to Enroll?**
MSU employees who are here on a J1 or J2 visa or are actively working for MSU and living outside the USA for a minimum of 6 months are eligible to enroll in the Cigna Global Health Advantage (CGHA) health care plan. The CGHA plan covers medical, prescription, dental, qualifying evacuation and repatriation services with access to health care professionals and facilities worldwide.

**How do I Enroll?**
Please visit hr.msu.edu/benefits/international-employees/ for enrollment instructions.

**Find a Provider or Ask Questions**
For questions about specific coverage details or to find a provider visit cignaenvoy.com or call 1-302-797-3100 or 1-800-441-2668 (toll-free). Use group number 03664D001.

**About CIGNA Global Health Advantage (CGHA)**
Please visit hr.msu.edu/benefits/international-employees/ to review the Inpat/Expat Welcome Kit, monthly premiums, summary of benefits, FAQs, certificate of coverage, enrollment instructions and more.

**Health Plan Waiver**
If you are covered by another health plan that adequately meets your health care needs you may want to consider waiving your MSU health coverage.

Individuals who waive coverage will receive a payment of up to $600 per year. Payments occur in February for the previous plan year. This means if you enroll in the waiver for the 2023 plan year, you will receive your payment in February 2024.

**Enrollment is not automatic, you must enroll online for the waiver during Open Enrollment.**

**Please Note:** If you and your spouse/OEI both work at MSU you are not eligible for the waiver option. Find more waiver information at hr.msu.edu/benefits/healthcare/waiver.html.

**Summaries of Benefits and Coverage (SBC)**
The Affordable Care Act requires health plans and employers who provide self-insured plans to provide comparative information to consumers on health plan options. Find SBC documents for the health plan options at hr.msu.edu/benefits/summaries/.

**Legal Notices**
On page 33 you’ll find important legal notices regarding health care privacy and other laws.

Dependent Age Criteria

Children (biological, step or adopted) are eligible through the end of the calendar year in which they turn age 26.

Non-adopted grandchildren, nieces, nephews or wards are eligible through legal guardianship through the end of the calendar year in which they turn age 23.

You will receive an email from HR with options to continue coverage for children once they have aged out of coverage.

IRS Dependency Test

Your dependent must meet the IRS dependency test in order to receive coverage in the Sponsored Dependent or Family Continuation options. Learn more at hr.msu.edu/benefits/life-change/eldercare.html.
Academic Year (AY) Faculty Health Plan Premiums

The premium charts on this page and page 15 are for faculty and academic staff on nine-month academic year (AY) appointments.

Instead of receiving 12 paychecks throughout the year, employees with AY appointments receive 10 monthly checks over the duty period (August 16 to May 15). Health plan premiums for AY faculty will be taken out of 8 of the 10 paychecks (September to April). Deductions taken from January through April cover the time period of January through June, and deductions taken from September through December cover the time period of July through December.

A termination or retirement that is effective after July 1 will result in you being billed for your health and/or dental premiums. A termination or retirement before July 1 may result in a refund.

The following monthly premiums are made pre-tax through payroll deduction.

1. Dependents who become incapacitated before age 19 can continue coverage after age 23 or 26 by completing the MSU Dependent Disability Certification Form at hr.msu.edu/benefits/documents/DependentDisabilityCertForm.pdf.

AY Health Plan Premiums for Sponsored Dependents

Below are the monthly AY faculty premium rates to add a sponsored dependent to your health plan. This premium is in addition to the staff monthly premium rates listed above. A sponsored dependent is someone who is related to you by blood, marriage or legal adoption, is a member of your household and is dependent on you for more than half of their support. The dependent must meet the IRS dependency test (see right).

Dependent Age Criteria

Children (biological, step or adopted) are eligible through the end of the calendar year in which they turn age 26.

Non-adopted grandchildren, nieces, nephews or wards are eligible through legal guardianship through the end of the calendar year in which they turn age 23.

You will receive an email from HR with options to continue coverage for children once they have aged out of coverage.

IRS Dependency Test

Your dependent must meet the IRS dependency test in order to receive coverage in the Sponsored Dependent or Family Continuation options.

1. Chemical profile, complete blood count, urinalysis, cholesterol testing, chest x-ray and EKG are payable as part of the Health Maintenance Exam. These services become subject to the faculty deductible when billed as medical/diagnostic.
2. You may be responsible for the difference between BCBSM’s or BCN’s approved amount and the provider’s charge when services are rendered by a non-participating provider, premiums and health care this plan doesn’t cover, where applicable.
3. Referrals to specialists are not required.
4. Age restrictions may apply.
5. Autism Spectrum Disorder services are not subject to Outpatient Physical, Speech, and Occupational Therapy visit limit.
Prescription Information

The prescription drug plan is administered through CVS/Caremark. Employees continue to be automatically enrolled for prescription drug coverage in CVS/Caremark when they enroll in one of the MSU health plans (Community Blue PPO, Blue Care Network (BCN) or the Consumer Driven Health Plan with Health Savings Account (CDHP with HSA)). MSU employees may use any in-network pharmacy, which includes the MSU Health Care Pharmacy.

The table below shows co-pay rates for various types of prescription drugs for Community Blue and BCN enrollees effective January 1, 2023. Enrollees can use any in-network pharmacy for this benefit.

**Annual Out-of-pocket Co-Pay Maximum**

- Individual: $1000
- Family: $2000

*90-day supply (except Bio-Tech/Specialty Drugs) may only be filled at MSU Pharmacies or through CVS/Caremark mail order.

**For Employees Enrolled in the CDHP PPO with HSA:**

If you are a CDHP PPO with HSA enrollee, you have different prescription benefits. Prescription drug costs under this plan are subject to plan deductible and co-insurance, and then the total cost is covered after you reach the out-of-pocket maximum. This means that you pay 100% of prescription costs until you reach the deductible. Once the deductible is met, the plan covers 80% of the costs while you pay 20% co-insurance. Once the out-of-pocket maximum is reached, prescriptions are 100% covered.

Certain preventive generic prescription drugs for chronic conditions (asthma, cholesterol, diabetes and anti-hypertensives) are 100% covered without a deductible or co-insurance.

Be sure to enroll in the HSA during Open Enrollment when you enroll in the CDHP plan to receive MSU’s HSA contribution of $750. You can use this money to pay for eligible medical and prescription costs.

Dental Plans

MSU offers Delta Dental or Aetna Premium DMO to all benefits-eligible faculty and academic staff.

In a Dental Maintenance Organization (DMO) like Aetna Premium DMO, you select a participating primary care dentist. Your primary dental care is provided by that dentist and only at locations and by dentists that participate in the plan. Although choice of providers is more limited, a DMO tends to cover a greater range of services at lower co-pays than traditional dental plans.

If you plan to enroll in the Aetna Premium DMO, please verify that the dentist you want to use accepts “Aetna DMO” rather than just “Aetna” to avoid rejected claims.

The Delta Dental PPO plan typically allows freedom in selecting providers and services performed but may have higher out-of-pocket costs compared to a DMO plan. Delta Dental offers thousands of participating providers and allows you to seek care from both participating and non-participating providers. You may incur additional costs if you use a non-participating provider. Contact Delta Dental for information on participating providers.

Guidance for Employees that Enroll in an Aetna Plan

Eligibility for Aetna is determined by where you live. Please contact Aetna directly to confirm if you are eligible to enroll in this plan based on your state and zip code. Please note there are areas within Michigan that are not eligible for coverage through Aetna.

Life Insurance

MSU offers optional employee-paid life insurance to all regular full- and part-time (50% or more) employees, as well as to your spouse/other eligible individual (OEI) and dependent children. You do not need to be enrolled to add your children or spouse/OEI.

Life insurance is offered at 1 to 10 times your annual salary. There are various levels of coverage for your spouse/OEI and children. You must provide evidence of insurability when enrolling or increasing your life insurance coverage for yourself or your spouse/OEI. Evidence of insurability is not required for children. Prudential will contact you via your MSU email address with instructions on how to submit evidence of insurability. Please see Dependent Age Criteria on page 24.

How Much Does Optional Life Insurance Cost?

Use the charts and formulas below and on page 24 to calculate the monthly cost for you, your spouse/OEI, and/or your children. Rates are different for faculty and academic year (AY) faculty. Rates are also calculated in the EBS Portal as you go through Open Enrollment. Rates will change on the date you enter a new age bracket or if your salary changes.

**Employee Life Insurance Cost**

**Step One** – determine the following:

1. Your salary.
2. Your rate (see Chart A.)
3. Your benefit level. Choose from 1 – 10 times your salary, up to a maximum of $2,000,000.

**Step Two** – use the following formula and your answers from step one to calculate monthly cost:

\[
\text{Salary} \times \text{Rate} \times \text{Benefit Level} \div 1,000 = \$\text{rate}/\text{month}
\]

**Example**

1. Salary = $50,000
2. Age = 25, so rate = $0.027 for faculty (according to Chart A.)
3. Benefit level chosen = 5 x salary

\[
\$50,000 \times \$0.027 \times 5 \div 1,000 = \$6.75/\text{month}
\]
**Spouse/OEI Life Insurance Cost**

**Step One** – determine the following:

1. Spouse/OEI coverage level. Choose from options in Chart B.
2. Spouse/OEI rate (use age of employee, NOT spouse/OEI; see Chart C.)

**Step Two** – use the following formula and your answers from step one to calculate monthly cost:

\[
\text{Spouse/OEI Coverage Level} \times \text{Rate} \div 1,000 = \$\text{___}/month
\]

**Example**

1. Coverage Level = $10,000
2. Age = 25, so rate = $0.04 for faculty (according to Chart C.)

\[
$10,000 \text{ (spouse/OEI coverage level)} \times $0.04 \text{ (rate)} \div 1,000 = $0.40/month
\]

**Child Life Insurance Cost**

**Step One** – determine the following:

1. Child coverage level. Choose from options in Chart D.
2. Child rate (see Chart E.)

**Step Two** – use the following formula and your answer from step one to determine monthly cost:

\[
\text{Child Coverage Level} \times \text{Rate} \div 1,000 = \$\text{___}/month
\]

**Example**

1. Child coverage level = $10,000
2. Faculty, so rate = $0.083

\[
$10,000 \text{ (Child coverage level)} \times $0.083 \div 1,000 = $0.83/month

**Dependent Age Criteria**

Dependent children enrolled in Life and/or AD&D insurance are eligible to the end of the calendar year during which the child turns age 23 with no restrictions such as student enrollment or IRS dependency.

It is the enrollee’s responsibility to cancel coverage when dependent children no longer qualify in order to stop premium deductions.

Children who become incapacitated before the age limit can continue coverage after the age limit if (1) the child is mentally and/or physically incapable of earning a living AND (2) Prudential has received proof of incapacity within 31 days. If the child becomes incapacitated after the age limit, they will not be able to continue coverage.
AD&D Insurance

Accidental death and dismemberment (AD&D) insurance through Prudential provides various amounts of coverage for accidental death, dismemberment or loss of sight whether in the course of business or pleasure. AD&D insurance is optional and paid directly by the employee via payroll deduction. Optional family coverage is also offered. This is available to regular full- and part-time (50% or more) employees, your spouse/other eligible individual (OEI) and dependent children.

You can enroll in AD&D coverage at 1 to 10 times your annual salary. Benefit levels vary by type of insurance selected (employee-only or family) and the extent of the injury. Evidence of insurability is not required. Benefit amounts for spouse/OEI and/or children are based on a percentage of your benefit amount.

Please see Dependent Age Criteria on page 24.

How Much Does Optional AD&D Insurance Cost?

Use the chart and formula below to find the cost of insurance for you, your spouse/OEI, and your children. Rates are also calculated in the EBS Portal as you go through Open Enrollment. Rates are subject to change.

**AD&D Insurance Cost**

**Step One** – determine the following:

1. Your salary.
2. Your rate (see Chart A.)
3. Your benefit level. Choose from 1 – 10 times your salary, up to a maximum of $1,500,000 for the employee, $750,000 for a spouse/OEI, or $100,000 per child.

**Step Two** – use the following formula and your answers from step one to calculate monthly cost:

\[
\text{Salary} \times \text{Rate} \times \text{Benefit Level} \div 1,000 = \$\text{___}/\text{month}
\]

**Example**

1. Salary = $50,000
2. Employee rate = $0.015 (according to Chart A.)
3. Benefit level chosen = 5 x salary

\[
\frac{50,000 \times 0.015 \times 5}{1,000} = \$3.75/\text{month}
\]

Flexible Spending Accounts (FSA)

We all spend money on medical expenses such as prescription and office visit co-pays, dental work and over-the-counter items like bandages. Many people spend thousands of dollars each year on child or elder care. An FSA allows you to use pre-tax dollars to buy these common household items and services – saving you an average of 30%!

MSU’s FSA vendor is HealthEquity and they offer eligible employees two different kinds of FSAs.

The Health Care FSA can be used for eligible medical expenses for you and your eligible dependents. The Dependent Care FSA (daycare) can be used for eligible child and dependent care expenses.

Note: Due to IRS regulations, employees are unable to enroll in a Health Care FSA if they enroll in the Health Savings Account offered with the Consumer Driven Health Plan.

What’s the Difference?

You have the option to enroll in two different FSA types: Dependent Care and/or Health Care. Before you enroll, learn the differences between the two. Visit hr.msu.edu/benefits/flexible-spending-accounts to find information on all eligible expenses for both the Health Care and Dependent Care FSAs.

Health Care FSA

Overview
Use money from your Health Care FSA on eligible medical expenses for you and your dependents.

Examples of Eligible Expenses
- Medical/dental plan deductible/co-pays
- Eyeglasses
- Hearing aids
- Pain relievers
- And much more!

How Much Can I Contribute?
An individual may contribute up to $2,850. If both you and your spouse have a Health Care FSA, you each may contribute up to $2,850. Savings vary based on your income tax rate and the number of out-of-pocket health and child care costs you typically incur.

Dependent Care FSA

Overview
Use money from your Dependent Care FSA on eligible child and dependent care expenses. This plan is NOT for dependent health care expenses.

Examples of Eligible Expenses
- Child or elder daycare
- Preschool
- Summer day camp
- Before/after school programs

How Much Can I Contribute?
A household may contribute up to $5,000. If you and your spouse both have a Dependent Care FSA, your combined household contributions cannot total more than $5,000 at MSU or through another employer.
How FSAs Work
You will confirm your contribution amount for the 2023 calendar year when you enroll. Your contributions will be deducted from your paycheck and will not be taxed. See maximum contribution amounts on page 26.

Carefully estimate the eligible expenses you are likely to incur in 2023. The IRS mandates any unused funds must be forfeited, so it’s important you plan ahead to match your FSA withholdings to the amount you are likely to spend on eligible health care and/or dependent care costs. Review important deadlines for using your funds and submitting claims in the left side panel.

When you pay for an eligible expense, you will fill out a reimbursement request. You’ll submit receipts for the expense with the request. You will then be reimbursed for those expenses with the tax-free dollars from your account(s). For some expenses, like prescriptions and office visit co-pays, you can pay directly with your Health Care FSA debit card.

Helpful Health Care FSA Information

- **Keep all of your receipts for eligible expenses.** IRS rules require FSA administrators to substantiate the eligibility of all items and services, including those transactions using Health Care FSA debit cards. Some types of expenses, like doctor visits or prescription drug co-pays, can be automatically substantiated because co-pays are predictable amounts from medical providers.

- **HealthEquity may ask you to send in supporting documentation for a card transaction.** Acceptable documentation contains the following five pieces of information:
  - Date of Service
  - Description of Service (such as co-pay)
  - Patient Name
  - Provider’s Name
  - Amount of Transaction

- **An Explanation of Benefits (EOB) from your insurance carrier contains all five pieces of information and is available from your insurance carrier if you used insurance for your card transaction.**

- **Due to IRS regulations, Health Care FSAs are not compatible with Health Savings Accounts (HSA).** Employees are unable to participate in a Health Care FSA if they enroll in the HSA offered with the CDHP. Also, if your spouse’s health plan has an HSA and you enroll in a Health Care FSA, you may have IRS compatibility issues. Please review the FSA FAQs on the HR website to learn about more IRS regulations.

- **Visit the FSA Store at FSAStore.com to buy your eligible expenses online.”**

Voluntary Benefits

You have access to optional, employee-paid benefits via the voluntary benefits portal at MSUBenefitsPlus.com.

There is no university financial contribution toward these benefits. Enrollees pay the premiums for the benefits they select and those payments are collected via payroll deduction. The voluntary benefits available include:

- Vision Insurance with VSP
- Pet Insurance with Nationwide
- Legal Insurance with ARAG*
- Critical Illness Insurance with MetLife
- Auto and Home Insurance with Farmers GroupSelect (formerly MetLife) or Liberty Mutual

* Increase to ARAG Legal Insurance Premiums: Monthly premiums for voluntary legal insurance through ARAG have increased for the 2023 plan year. Visit MSUBenefitsPlus.com to view updated rates.

Enroll, Change or Cancel Vision, Legal and Critical Illness Insurance in October

Vision, legal and critical illness insurance have an annual Open Enrollment period of October 1 – 31 with coverage effective January 1.

This means you can only enroll in, change or cancel these voluntary benefits in October each year and once you enroll, you cannot change or cancel that enrollment until the next annual Open Enrollment period (unless you have a qualifying life event). Your enrollment in vision, legal and critical illness insurance will continue automatically each year unless you cancel.

Other programs, like auto, home and pet insurance, allow you to enroll in, change or cancel at anytime throughout the year.

How to Enroll

Visit MSUBenefitsPlus.com to learn more about available programs and enroll online. Find a guide to help you enroll at msubenefitsplus.com/faq.

First Time Users: Enter your MSU email, click Get Started and fill out the form. Signing up for an account does not obligate you to enroll in any benefits; it just gives you access to learn about and enroll in the various programs. You will need your MSU ZPID number, which is located on your MSU Spartan ID Card or in the EBS Portal.

Use a capital “Z” when putting in your ZPID number.

Existing Users: Enter you email address and click Get Started, then enter your password and click Log In.
Dependent Age Criteria

Dependent children are eligible to the end of the calendar year during which the child turns age 23 with no restrictions such as student enrollment or IRS dependency.

Current Participation & Deduction History

After you log in to the MSU Benefits Plus website, click on the My Benefits tab at the top of the page to view a summary of your enrollment elections. Click on My Deductions to view an itemized list of your voluntary benefit deductions.

The My Benefits section only provides participation status on products you have enrolled in within the MSU Benefits Plus website—such as vision, legal and critical illness insurance.

Vision Insurance (VSP) can help with the cost of glasses and contact lenses for you and your family. VSP is the benefit provider and they offer two plan options: the standard coverage plan or a premium coverage plan with an additional enhanced eyewear option of your choice. Visit the MSU Benefits Plus website to view a plan summary sheet with basic information about the two coverage options and rates. Payments are made via payroll deduction.

Legal Insurance (ARAG) makes it affordable to get the legal help you need. Network attorney fees are 100% paid-in-full for most covered matters. Life is full of legal situations. Some you plan for, like creating a will, and others are more unexpected—like fighting a traffic ticket. Choose between two plans for coverage that best fit the needs of you and your family. UltimateAdvisor® covers most common legal issues. UltimateAdvisor Plus™ includes more robust coverage plus additional services. Visit the MSU Benefits Plus website to view a plan summary with basic information about the two coverage options and rates. Payments are made via payroll deduction. ARAG® Legal Insurance Plan excludes most pre-existing legal issues and business-related matters. A pre-existing condition, which ARAG has defined as any legal matter which is initiated prior to the effective date of coverage, will be considered excluded and no benefits will apply.

Critical Illness Insurance (MetLife) gives you extra cash in the event you or covered family members experience a covered illness. This money can be used to offset unexpected medical expenses or for any other use you wish. Simplified plan options are offered through MetLife with no evidence of insurability requirement. Visit the MSU Benefits Plus website to view a plan summary sheet with basic information about the plan coverage and rates. Payments are made via payroll deduction.

Pet Insurance (Nationwide) can reimburse you for eligible vet bills related to covered conditions for dogs, cats, avian and exotic pets. Nationwide is the benefit provider and they offer two levels of coverage. Rates are based on the plan you select, age, location and breed of the pet. Visit the MSU Benefits Plus website to view coverage options and rates. Payments are made via payroll deduction.

Auto and Home Insurance (Farmers GroupSelect or Liberty Mutual) is available from either Farmers GroupSelect (formerly MetLife) or Liberty Mutual. You may apply for auto or home insurance at anytime throughout the year and the coverage period depends on when your policy is issued. Visit the MSU Benefits Plus website for additional information or to obtain quotes. Payments are made via payroll deduction.
Teladoc

Teladoc offers 24/7 access to a health care professional by phone, web or mobile app. Talk to a doctor about your care needs from anywhere in the USA, including the comfort of your home. Teladoc is available to MSU employees and their dependents who are enrolled in an MSU health plan.

How Does it Work?

When you need medical advice, you can receive convenient, quality care from a licensed health care professional in three easy steps:

- **Request**: ask for a visit with a doctor 24 hours a day, 365 days a year by web, phone or mobile app.
- **Visit**: talk to the doctor. Take as much time as you need to explain your medical situation – there’s no limit.
- **Resolve**: if medically necessary, a prescription will be sent to the pharmacy of your choice.

There is no co-pay associated with accessing this service at this time except for employees and their dependents who are enrolled in the CDHP with HSA plan. If you are enrolled in the CDHP with HSA plan you pay the full charge until your annual deductible is met due to IRS regulations.

Teladoc Medical Experts

Teladoc Medical Experts is available to benefit-eligible employees and no enrollment in the plan is required. Teladoc provides expert second opinions and answers to your medical questions. If you’re facing a serious diagnosis, Teladoc Medical Experts can help you determine the best course of action. Some of the ways they can help include:

- Having an expert conduct an in-depth review of your medical case.
- Getting expert advice about medical treatment.
- Finding a specialist near you.
- Exploring your treatment options before making a decision.

Teladoc Medical Experts is completely confidential and provides vital information and options you might otherwise miss.

There are no out-of-pocket costs to you for using Teladoc Medical Experts. However, your medical providers may charge you to copy and forward your medical records to Teladoc Medical Experts – you are responsible for paying those charges.

Livongo by Teladoc Health

Livongo helps you manage your diabetes by delivering tools and resources directly to your home – all completely free to you and/or your eligible dependents. Livongo is available to all benefit eligible employees and their dependents (age 19 or older) that are not enrolled in Medicare. After you sign up, you will have access to unlimited supplies, smart meter and optional coaching.

Benefits of the Program:

- **An advanced blood glucose meter**: The Livongo connected meter is super easy to use. It automatically uploads readings to your private account and gives instant insights.

- **Unlimited free strips and lancets**: You can get as many strips and lancets as you need with no hidden costs or co-pays. When your supplies are about to run out, Livongo ships you more.

- **Optional coaching anytime and anywhere**: Connect to a Livongo coach for optional, one-on-one support by phone, email, text or mobile app to help with questions about nutrition or lifestyle changes and live interventions triggered by acute alerts.

It takes less than 10 minutes to sign up and start your profile using the contact information to the left. You may enroll in Livongo at anytime throughout the year.

Retirement Programs

We encourage you to take advantage of the retirement savings options available to you. The university offers Fidelity and TIAA as providers of administration, record keeping and investment options for each of the MSU retirement plans. Both companies offer resources and tools to help participants plan their investment strategy.

The university’s 403(b) Retirement Plan includes the MSU 403(b) Base Retirement Program and the MSU 403(b) Supplemental Retirement Program. These programs, as well as the MSU 457(b) Deferred Compensation Plan, are designed to help you invest more money today to help you have the income you need during your retirement.

Retirement plans are offered year round, and coverage can be added and modified outside of the Open Enrollment period. Learn more about the available MSU retirement plans on the HR website at [hr.msu.edu/benefits/retirement/about-retirement-plans.html](http://hr.msu.edu/benefits/retirement/about-retirement-plans.html).

Important Notices About Your Health Care Rights

MSU HR is pleased to provide you with this resource to help you learn about or refamiliarize yourself with various regulations intended to safeguard your health care rights. Included in this publication you will find health care notices regarding:

• A notice of privacy practices. This describes how medical information about you can be used and disclosed and how you can access this information.
• Information about Medicaid and the Children's Health Insurance Program.

Women’s Health and Cancer Rights Act of 1998

As required by the Women’s Health and Cancer Rights Act of 1998 (effective October 21, 1998), MSU Health Plans provide the following coverage:

• All stages of reconstruction of the breast on which the mastectomy has been performed;
• Surgery and reconstruction of the other breast for symmetrical appearance; and
• Prosthesis and treatment of physical complications in all stages of mastectomy, including lymphedemas, in a manner determined in consultation with the attending physician and the patient. Such coverage may be subject to annual deductibles and coinsurance provisions as may be deemed appropriate and are consistent with those established for other benefits under the plan or coverage.

If you have any additional questions, please contact your health plan administrator.

HIPAA: Notice of Privacy Practices Michigan State University Health Plans

EFFECTIVE DATE

This Notice is effective January 1, 2013.

PURPOSE

This notice describes how your medical information may be used and disclosed and how you can get access to this information. Please review it carefully.

The Michigan State University Health Plans (collectively referenced in this notice as the “Plan”) are regulated by numerous federal and state laws.

The Health Insurance Portability and Accountability Act (HIPAA) identifies protected health information (PHI) and requires that the Plan, with Michigan State University and the Plan administrator(s) and insurer(s) maintain a privacy policy and that it provides you with this notice of the Plan's legal duties and privacy practices. This notice provides information about the ways your medical information may be used and disclosed by the Plan and how you may access your health information.

PHI means individually identifiable health information that is created or received by the Plan that relates to your past, present or future physical or mental health or condition; the provision of health care to you; or the past, present or future payment for the provision of health care to you; and that identifies you or for which there is a reasonable basis to believe the information can be used to identify you. If state law provides privacy protections that are more stringent than those provided by federal law, the Plan will maintain your PHI in accordance with the more stringent state law standard.

In general, the Plan receives and maintains health information only as needed for claims or Plan administration. The primary source of your health information continues to be the healthcare provider (for example, your doctor, dentist or hospital) that created the records. Most health plans are administered by a third party administrator (TPA) or insurer, and Michigan State University, the Plan sponsor, does not have access to the PHI.

The Plan is required to operate in accordance with the terms of this notice. The Plan reserves the right to change the terms of this notice. If there is any material change to the uses or disclosures, your rights, or the Plan’s legal duties or privacy practices, the notice will be revised and you’ll receive a copy. The new provisions will apply to all PHI maintained by the Plan, including information that existed prior to revision.

Uses and Disclosures Permitted Without Your Authorization or Consent

The Plan is permitted to use or disclose PHI without your consent or authorization in order to carry out treatment, payment or healthcare operations. Information about treatment involves the care and services you receive from a healthcare provider. For example, the Plan may use information about the treatment of a medical condition by a doctor or hospital to make sure the Plan is well run, administered properly and does not waste money. Information about payment may involve activities to verify coverage, eligibility, or claims management. Information concerning healthcare operations may be used to project future healthcare costs or audit the accuracy of claims processing functions.

The Plan may also use your PHI to undertake underwriting, premium rating and other insurance activities related to changing TPA contracts or health benefits. However, federal law prohibits the Plan from using or disclosing PHI that is genetic information for underwriting purposes which include eligibility determination, calculating premiums, the application of pre-existing conditions, exclusions and any other activities related to the creation, renewal, or replacement of a TPA contract or health benefit.

The Plan may disclose health information to the University if the information is needed to carry out administrative functions of the Plan. In certain cases, the Plan or TPA may disclose your PHI to specific employees of the University who assist in the administration of the Plan. Before your PHI can be used by or disclosed to these employees, the University must take certain steps to separate the work of these employees from the rest of the workforce so that the University cannot use your PHI for employment-related purposes or to administer other benefit plans. For example, a designated employee may have the need to contact a TPA to verify coverage status or to investigate a claim without your specific authorization.

The Plan may disclose information to the University that summarizes the claims experience of Plan participants as a group, but without identifying specific individuals, to get a new TPA contract, or to change the Plan. For example, if the University wants to consider adding or changing an organ transplant benefit,
it may receive this summary health information to assess the cost of that benefit.

The Plan may also use or disclose your PHI for any purpose required by law, such as responding to a court order, subpoena, warrant, summons, or similar process authorized under state or federal law; to identify or locate a suspect, fugitive, material witness, or similar person; to provide information about the victim of a crime if, under certain limited circumstances, the Plan is unable to obtain the person’s agreement; to report a death we believe may be the result of criminal conduct; to report criminal conduct at the University; to coroners or medical examiners; in emergency circumstances to report a crime, the location of the crime or victims, or the identity, description, or location of the person who committed the crime; to authorized federal officials for intelligence, counterintelligence, and other national security authorized by law; and, to authorized federal officials so they may conduct special investigations or provide protection to the President, other authorized persons, or foreign heads of state.

The Plan may disclose medical information about you for public health activities. These activities generally include licensing and certification carried out by public health authorities; prevention or control of disease, injury, or disability; reports of births and deaths; reports of child abuse or neglect; notifications to people who may have been exposed to a disease or may be at risk for contracting or spreading a disease or condition; organ or tissue donation; and notifications to appropriate government authorities if we believe a patient has been the victim of abuse, neglect, or domestic violence. The Plan will make this disclosure when required by law, or if you agree to the disclosure or when authorized by law and the disclosure is necessary to prevent serious harm.

Uses and disclosures other than those listed above will be made only with your written authorization. Types of uses and disclosures requiring authorization include use or disclosure of psychotherapy notes (with limited exceptions to include certain treatment, payment or healthcare operations); use or disclosure for marketing purposes (with limited exceptions); and disclosure in exchange for remuneration on behalf of the recipient of your protected health information.

You should be aware that the Plan is not responsible for any further disclosures made by the party to whom you authorize the release of your PHI. If you provide the Plan with authorization to use or disclose your PHI, you may revoke that authorization, in writing, at any time. If you revoke your authorization, the Plan will no longer use or disclose your PHI for the reasons covered by your written authorization.

Your Rights

You have the following rights with respect to your protected health information:

**Right to Inspect and Copy.** You have the right to inspect and copy certain protected health information that may be used to make decisions about your health care benefits. To inspect and copy your protected health information, you must submit your request in writing to Michigan State University Human Resources. If you request a copy of the information, the Plan may charge a reasonable fee for the costs of copying, mailing, or other supplies associated with your request.

The Plan may deny your request to inspect and copy in certain very limited circumstances. If you are denied access to your medical information, you may request that the denial be reviewed by submitting a written request to Michigan State University Human Resources.

**Right to Amend.** If you feel that the protected health information the Plan has about you is incorrect or incomplete, you may ask it to amend the information. You may request an amendment for as long as the information is kept by or for the Plan.

To request an amendment, your request must be made in writing and submitted to Michigan State University Human Resources. In addition, you must provide a reason that supports your request.

The Plan may deny your request for an amendment if it is not in writing or does not include a reason to support the request. In addition, the plan may deny your request if you ask it to amend information that is not part of the medical information kept by or for the Plan; was not created by the Plan, unless the person or entity that created the information is no longer available to make the amendment; is not part of the information that you would be permitted to inspect and copy; or is already accurate and complete.

If your request is denied, you have the right to file a statement of disagreement. Any future disclosures of the disputed information will include your statement.

**Right to an Accounting of Disclosures.** You have the right to request an “accounting” of certain disclosures of your protected health information. The accounting will not include (1) disclosures for purposes of treatment, payment, or health care operations; (2) disclosures made to you; (3) disclosures made pursuant to your authorization; (4) disclosures made to friends or family in your presence or because of an emergency; (5) disclosures for national security purposes; and (6) disclosures incidental to otherwise permissible disclosures.

To request this list or accounting of disclosures, you must submit your request in writing to Michigan State University Human Resources. Your request must state a time period of not longer than six years and may not include dates before April 14, 2003. Your request should indicate in what form you want the list (for example, paper or electronic). The first list you request within a 12-month period will be provided free of charge. For additional lists, the Plan may charge you for the costs of providing the list. You will be notified of the cost involved and you may choose to withdraw or modify your request at that time before any costs are incurred.

**Right to Request Restrictions.** You have the right to request a restriction or limitation on your protected health information that is used or disclosed for treatment, payment, or health care operations. You also have the right to request a limit on your protected health information that is disclosed to someone who is involved in your care or the payment for your care, such as a family member or friend. For example, you could ask that the Plan not use or disclose information about a surgery that you had.

Except as provided in the next paragraph, the Plan is not required to agree to your request. However, if it does agree to the request, it will honor the restriction until you revoke it or the Plan notifies you.

Effective February 17, 2010 (or such other date specified as the effective date under applicable law), the Plan will comply with any restriction request if: (1) except as otherwise required by law, the disclosure is to the health plan for purposes of carrying out payment or health care operations (and is not for purposes of carrying out treatment); and (2) the protected health information pertains solely to a health care item or service for which the health care provider involved has been paid out-of-pocket in full.

To request restrictions, you must make your request in writing to Michigan State University Human Resources. In your request, you must tell the Plan(1) what information you want to limit; (2) whether you want to limit the use, disclosure, or both; and (3) to whom you want the limits to apply—for example, disclosures to your spouse.

**Right to Request Confidential Communications.** You have the right to request that you receive communications about medical matters in a certain way or at a certain location. For example, you can ask that you are only contacted at work or by mail.

To request confidential communications, you must make your request in writing to Michigan State University Human Resources. You will not be asked the reason for your request. Your request must specify how or where you wish to be contacted. The Plan will accommodate all reasonable requests if you clearly provide information that the disclosure of all or part of your protected information could endanger you.

**Right to be Notified of a Breach.** You have the right to be notified in the event that the Plan (or a Business Associate) discover a breach of unsecured protected health information.

**Right to Obtain a Paper Copy of This Notice.** You have the right to a paper copy of this Notice of Privacy Practices at any time. Even if you have agreed to receive this notice electronically, you are still entitled to a paper copy.

Complaints

If you believe your privacy rights have been violated, you may file a complaint with the Plan or with the Secretary of the U.S. Department of Health and Human Services. Michigan State University Human Resources can provide you with the address upon request.

**Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)**

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askesba.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2022. Contact your State for more information on eligibility.

### Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.

OMB Control Number 1210-0137 (expires 1/31/2023)
Disclaimer: This guide is not a contract. It is intended to help you compare the various MSU health plans. The summary describes plan features in general terms, but is not a full description of coverages. Please contact BCBSM or BCN directly if you need to confirm coverage or determine if prior authorization is required. Information provided in this guide may be updated periodically to provide the clearest and most accurate information. If updates occur, the updated version will be available on the HR website.
