

MSU Human Resources Marketplace Notice Frequently Asked Questions (FAQs)

What is the Health Insurance Marketplace?

The Health Insurance Marketplace was created under the federal Patient Protection and Affordable Care Act (ACA), also known as Health Care Reform. It provides a platform where individuals can purchase standardized health insurance plans that are regulated by the government. The Marketplace offers health insurance coverage to all U.S. citizens, including dependents. For more information, employees can visit www.healthcare.gov or call 800-318-2596.

MSU does not provide guidance on purchasing insurance through the Marketplace and cannot answer specific questions about Marketplace options.

Why Did I Receive the Health Insurance Marketplace Notice?

MSU is required to send this notice to all employees to comply with federal ACA regulations. The notice is sent to **all** employees, even if they aren't eligible for MSU's Health Insurance Plan. It provides information on how to access the Health Insurance Marketplace, where health plans are available through your state or the U.S. Department of Health and Human Services.
