Michigan State University Graduate Assistant Dental Plan

Keep your smile healthy with dental benefits from Delta Dental

Delta Dental of Michigan and Michigan State University have partnered to bring you an affordable, quality dental plan—the MSU Graduate Assistant Dental Plan. Delta Dental is one of America's largest, most experienced dental carriers. As a graduate assistant at MSU, you are eligible to participate in this voluntary plan with benefits effective Jan. 1, 2027, through Dec. 31, 2027. And as an added bonus, Michigan State University will pay a portion of the total premium for all MSU graduate assistants.

Protect yourself against potential losses

Having dental benefits not only helps you get the regular care you need to stay healthy, it also gives you financial protection from unexpected, and often expensive, problems. Routine dental cleanings and exams are expensive enough. Without benefits, root canals and crowns can cost as much as $1,600 each, and periodontal procedures may run as much as $1,200 per quadrant. Delta Dental coverage can help reduce your out-of-pocket costs.

Easy access to dentists, easy-to-use benefits

Your plan provides nationwide access to any dentist in Delta Dental PPO™ and Delta Dental Premier® networks. While you can visit any dentist you choose, your plan's value will be maximized when visiting a PPO dentist. There are more than 100 participating Delta Dental PPO dentists to choose from within 10 miles of MSU's East Lansing campus!

Delta Dental benefits are easy to use, and there are **NO WAITING PERIODS**! In addition, participating dental offices will complete and file claims, so there is no paperwork for you.

Great coverage at a great price

Delta Dental benefits are affordably priced, and because you are a graduate assistant, MSU will pay $296.86 toward your plan!
Annual rates for the MSU Graduate Assistant Dental Plan are:

	Total cost	MSU pays	Student pays
Student only	$593.72	$296.86	$296.86
