If the Association determines the need exists for additional Assistant Grievance Officers, the parties shall meet through a special conference to work to resolve the concerns raised by the Association.

-61 The Association Grievance Officer shall be allowed time off without loss of pay, to investigate grievance(s) to be discussed or that have been discussed with the Employer upon having received permission from their supervisor to do so. The Association shall notify the Employer as to the names of its Grievance Officers.

-62 An alternate Grievance Officer shall be designated by the Association to act when the Grievance Officer is unavailable.

-63 The Grievance Officer shall continue on their assigned duty during the term of office.

Time Limits

-64 When reference to calendar days is made in this Article, holidays shall not be considered in these time periods. Time limits set forth in this grievance procedure shall be strictly adhered to unless such time shall be extended by mutual agreement of the parties.

-65 Steps of the grievance procedure may be waived in writing by mutual agreement of both parties. The grievant may withdraw a grievance at any step of the procedure. Grievances so withdrawn shall not be reinstated.

-66 If the Employer fails to schedule a meeting or answer the grievance within the designated time limits, the grievance may be appealed to the next step of this grievance procedure within twenty-one (21) calendar days of the date of the expiration of the applicable time limit.

-67 If a grievance is not appealed within ten (10) calendar days after receipt of the previous step answer, the grievance shall be considered withdrawn on the basis of the Employer's last answer and not be subject to further review.

Computation of Back Wages

-68 No claim for back wages shall exceed the amount the Employee would otherwise have earned including offsets for unemployment compensation, Workers' Compensation and any replacement wages earned.

II. Reprimand, Suspension or Discharge

-69 Normally, disciplinary action begins with a verbal warning for the first offense and culminates with discharge only after repeated attempts to correct (the) Employee's behavior have failed. Serious infractions may warrant immediate imposition of a written reprimand, suspension or discharge, as appropriate.

-70 Any suspension or discharge of an Employee shall be in writing. In the event an Employee is disciplined by written reprimand or written suspension or discharged by written notification, copies shall be given to the Employee and mailed to the Association at the time it is given to the Employee and a copy placed in the Employee's official personnel folder. Such notice shall be specific and outline the reasons for the disciplinary action.

-71 The affected Employee will be allowed to discuss their disciplinary action with an Association representative, and the Employer will make available an area where they may do so if they are required to leave the premises.

-72 In imposing any discipline on a current charge, the Employer will not take into account any prior infractions where the resulting discipline was issued more than eighteen (18) months previously if no further disciplinary action has been taken during that time. The time frame in the

previous sentence shall be four (4) years in cases of discipline arising from violations of the University Policy on Relationship Violence and Sexual Misconduct and/or the Anti-Discrimination Policy which was issued on or after the date for full ratification of the 2019 to 2023 Collective Bargaining Agreement. If the SSTU, APSA, POAM or CTU obtain more favorable language than the Employer and the Association will bargain over that more favorable language.

-73 Should the reprimand, suspension or discharge be considered without just cause, it shall be appealed as a grievance within twenty-one (21) calendar days after written notification of the discipline is received by the affected Employee. A grievance over a written letter of reprimand shall be submitted at Step 2 of the grievance procedure whereas a grievance over a suspension or discharge shall be submitted at Step 3. Failure to submit a written grievance within the time limits shall constitute a waiver of all claims concerning such disciplinary action or discharge.

III. Grievance Definition and Procedure

-74 The following grievance procedure is established for use by Administrative Professional Employees and the Association who feel they have a grievance or complaint alleging a violation, misinterpretation, or a misapplication of this Agreement.

-75 A grievance shall be defined as a written dispute concerning the interpretation, application or alleged violation of any of the terms of this Agreement.

-76 Any Employee having a dispute over the interpretation or application of the terms of this Agreement shall present it to the Employer in a manner following.

-77 A group grievance shall be only one in which the fact(s) in question and the provisions of the Agreement alleged to be violated are the same as they relate to all Employees in the identified group. In the event that Employees have a group grievance, the Grievance Officer shall submit the grievance on behalf of all affected Employees. When the affected group is contained within one department, college or division, the grievance shall be initiated at Step 2 of the grievance procedure. Any other group grievance shall begin at Step 3.

-78 At each step of the grievance procedure, the Employee may request the presence of the Association Grievance Officer.

Oral Step

-79 If an Employee believes they have a problem in connection with their employment, they shall discuss it with their immediate supervisor within fourteen (14) calendar days after its alleged occurrence or the date the Employee reasonably should have knowledge of its occurrence.

Step 1

-80 If the problem is not resolved, the grievance must be reduced to writing and presented to the immediate supervisor within fourteen (14) calendar days after its alleged occurrence or the immediate supervisor's response, in order to be a proper matter for the grievance procedure. The grievance shall be dated and signed by the aggrieved Employee and the Grievance Officer, and shall set forth the fact including the dates and provisions of this Agreement that are alleged to have been violated and the remedy desired. The grievance shall not be considered submitted until the immediate supervisor receives the written grievance. The immediate supervisor will schedule a meeting with the grievant and the Grievance Officer, if requested by the Employee, within seven (7) calendar days from the day the written grievance was received. The immediate supervisor will then answer the grievance in writing within seven (7) calendar days from the meeting at which the grievance was discussed.

Step 2

-81 Any appeal of a decision rendered by the immediate supervisor shall be presented in writing to the administrative head or designee within seven (7) calendar days of receipt of the written decision of the immediate supervisor. The appeal shall state the reason(s) why the decision of the immediate supervisor was not satisfactory. The grievance shall not be considered appealed until the administrative head or designee receives it, dates it and returns a copy to the presenter, which shall be done upon presentment. The administrative head or designee shall schedule a meeting within seven (7) calendar days with the grievant, the Grievance Officer, if requested, and representatives designated by the Employer to discuss the grievance. The administrative head or designee shall then give a decision in writing to the presenter within seven (7) calendar days of the meeting.

Step 3

-82 If the answer from the administrative head or designee is not satisfactory, the Association shall submit an appeal within seven (7) calendar days of the receipt of the Step 2 answer to the Director of Employee Relations or designee, indicating the reasons why the written answer of the administrative head or designee was unsatisfactory. The Office of Employee Relations will schedule a meeting between no more than three (3) representatives of the Association, excluding the grievant, and three (3) representatives of the Employer within seven (7) calendar days from the date the appeal is received to discuss the grievance. The Office of Employee Relations will then answer the grievance in writing within ten (10) calendar days from the date of the meeting at which the grievance was discussed.

Step 4

-83 If the Office of Employee Relations' answer is unacceptable, settlement may be determined by a decision of an arbitrator selected by the parties. The Association will notify the Office of Employee Relations within twenty-one (21) calendar days after the receipt of the Step

3 answer if the Association wishes to appeal the grievance to arbitration, indicating why the Office of Employee Relations' answer is not satisfactory. In the event the Association and the Office of Employee Relations do not agree on an arbitrator within seven (7) calendar days, the Association shall file the demand for arbitration with the American Arbitration Association (AAA) within seven (7) calendar days of failing to mutually agree on an arbitrator. The fees and approved expenses of an arbitrator will be paid for by the parties equally. The rules of the AAA shall apply to all arbitration hearings.

-84 The arbitrator shall have no power to add to or subtract from or modify any of the terms of this Agreement, nor shall they substitute their discretion for that of the Employer or the Association where such discretion has been retained by the Employer or the Association, nor shall they exercise any responsibility or function of the Employer or the Association.

-85 The arbitrator shall have no authority to establish wage and salary scales, to change any wage or salary rate, or to change classification descriptions except as otherwise provided in this Agreement.

-86 Excluded from arbitration are disputes and unresolved grievances concerning merit increase decisions and those matters provided for in provisions on Probationary Employees, Filling Vacant Positions and Classification/Reclassification of Positions.

Finality of Decisions

-87 The arbitrator's decision shall be final and binding upon the Association and its members, the Employee or Employees involved, and the Employer. However, either party retains all legal rights to challenge arbitration decisions thereof where such action is beyond the power of the arbitrator or where the award was procured by fraud, misconduct or unlawful means.

IV. Special Conferences

-88 The Employer and the Association agree to meet and confer on matters of clarification of the terms of this Agreement or other items as mutually agreed. Each party shall be represented by not more than four (4) persons at special conferences.

-89 Employees released to attend the special conference may meet, if on the Employer's property, at a place designated by the Employer for a period not to exceed one-half (1/2) hour immediately preceding the conference.

-90 Employees released to attend special conferences will be paid by the Employer for time spent in special conferences, but only for the straight time hours they would otherwise have worked on their regular work schedule.

ARTICLE 11

OFFICIAL PERSONNEL DOCUMENT REVIEW

-91 Employees have a right upon request to see the hard copy and digital content of their records that a “hiring manager” would be allowed to see if they requested to review the Employee’s personnel file. To request such a review, the Employee should contact MSU Human Resources with a written or emailed request for a “hiring manager review” of contents from their Personnel Record. This section is intended to allow Employees to ascertain what information from their Personnel Records is accessible to hiring managers during pre-offer file reviews.

-92 The Employee shall make an appointment with MSU Human Resources to conduct a Hiring Manager Review as defined above. Managerial personnel shall be present during said review and the Employee may be accompanied by a representative of the Association if the Employee so desires. The Employee may designate in writing her/his desire to have a representative of the Association conduct the hiring manager review in her/his absence in a disciplinary matter, and the designated representative shall be allowed to conduct said review.

-93 No derogatory statement about an Employee of which the Employee would not normally have a copy or be aware, shall be filed in the records that a hiring manager would be allowed to review unless the Employee is provided a dated copy. The Employee has the right to submit a statement(s) concerning negative evaluative reports for inclusion in the Official Personnel Record. Brief statements may be submitted for inclusion in the Employee's Official Personnel Record.

-94 Upon an Employee's written request to MSU Human Resources any records of disciplinary action that occurred more than eighteen (18) months prior to the request shall be removed from the Official Personnel Folder(s) if the Employee's performance has been satisfactory within the past eighteen (18) months. The time frame in the previous sentence shall be four (4) years in cases of discipline arising from violations of the University Policy on Relationship Violence and Sexual Misconduct and/or the Anti-Discrimination Policy which were issued on or after the date for full ratification of the 2019 to 2023 Collective Bargaining Agreement. If the SSTU, APSA, POAM or CTU obtain more favorable language than the Employer and the Association will bargain over that more favorable language. This section may not be used to remove performance evaluations from the Official Personnel Record.

-95 Counseling memorandums shall be maintained at the department level.

ARTICLE 12

PERFORMANCE EVALUATIONS

-96 To effectively review, monitor and recognize an Employee's performance, it is the policy of the University to provide Performance Evaluations annually or more often if deemed appropriate by the supervisor. Performance Evaluations shall become part of the Employee's Official Personnel Record. The Employee may place written comments regarding the performance evaluation in the Official Personnel Record. Whenever an Employee receives an overall "Less Than Satisfactory" evaluation and is placed on a written performance improvement plan, the Employee shall be reevaluated within ninety (90) days. Before the reevaluation, the Employee may request and shall receive a conference with the evaluator in which such Employee may have APA representation.

ARTICLE 13

PROMOTION/DEMOTION

I. Promotion

-97 A "promotion" is defined as the movement of an Employee to a higher grade level. An Employee promoted one grade level shall receive a minimum salary increase of five (5) percent or be placed at the minimum rate for the new level, whichever is greater. An Employee promoted two or more grade levels shall receive a minimum salary increase of ten (10) percent or placed at the minimum rate for the new grade level, whichever is greater. The Employer is not prohibited from giving APA Employees salary increases that exceed these minimums.

-98 The University shall pay a minimum lump sum "special payment" of \$500 in any monthly pay period where the Employee has performed in an acting or interim assignment for fifteen (15) or more working days. In order to qualify for this payment, the Employee must be assigned to the acting or interim position in writing by a supervisor or managerial University official. The acting or interim assignment must be to cover a vacancy or leave. The special payment will not be subject to salary-based benefits, such as the MSU or Employee contributions under the MSU 403(b) base retirement plan, life insurance, etc.

II. Demotion

-99 A "demotion" is defined as the movement of an Employee to a lower grade level other than by reclassification or voluntary transfer. The pay rate of an Employee who is demoted will be reduced by five (5) percent if the grade level is lowered one grade level and ten (10) percent or more if the grade is lowered two or more grade levels. The Employer may make exceptions to this provision when deemed appropriate.

ARTICLE 14

FILLING VACANT POSITIONS

-100 The recruitment of applicants and the filling of vacant positions is the responsibility of the Employer. All candidates who possess the posted qualifications shall be considered to advance the concept of promotion from within the ranks of the University. MSU Human Resources will provide the employing department with a list of candidates. In any instance when bargaining unit candidates possess the posted qualifications, at least five (5) of said candidates, if available, shall be interviewed along with up to two (2) bypass candidate(s) under paragraph 116.

-101 The responsibility for determining which candidates shall be interviewed will reside with the employing department, except for any bypass candidate(s) referred for bypass interview. This determination will be based upon information obtained from the candidates' credentials. The department should take longevity of service into account when determining who will be interviewed, but ability to do the work shall be the prime factor for setting the interview list.

-102 If any outside candidate is hired over an interviewed Employee or an interviewed Employee on layoff status, the Association shall be provided with a copy of the Position Vacancy Record, which will contain the reasons for selection and nonselection. This shall be done in a timely manner. If the procedures outlined above have been followed, the determination will not be grievable; however, the Association may request a Special Conference to discuss the issue.

-103 Employees will be given reasonable time off from their jobs for the purpose of interviewing for another University position. Arrangements must be made in advance with their supervisor.

ARTICLE 15

CLASSIFICATION/RECLASSIFICATION OF POSITIONS

-104 The Employer establishes and maintains a system for the evaluation and classification of all bargaining unit positions. The authority to classify new positions, reclassify existing positions and eliminate positions is vested in the MSU Human Resources.

-105 When a classification is established or modified, the grade level for the classification shall be fixed by the Employer and the Association shall be notified before implementation. The compensation level shall be in conformity with rates established for positions of similar responsibility. If there is a disagreement over the compensation assigned the position, a special conference may be scheduled with the Office of Employee Relations. If the disagreement is not resolved, the Association may file a demand for arbitration within fourteen (14) calendar days of the special conference. The Arbitrator shall be limited to determining the appropriateness of the compensation level assigned the position but shall be without power to assign a compensation level for the classification.

-106 The unit administrator will normally initiate requests for position reclassification. However, requests may be initiated by the Association. Such requests shall be directed to the Director of Employee Relations, whose decision on the request shall not be subject to review or grievance. If a request made under this paragraph is not approved, written reasons will be provided the Association.

-107 The salary of an Employee whose position is reclassified to a higher grade level shall be no less than the minimum salary of the higher grade level.

-108 An Employee whose position is reclassified will not be required to serve either a probationary period or a trial period.

ARTICLE 16

REDUCTION IN FORCE

-109 A. The University endeavors to provide continuing employment for Employees. However, reductions in work force may be necessary due to lack of funds, lack of work, and/or other cause. A reduction in force shall not be used for constructive discharge. Whenever practicable, the reductions should be made by restricting recruitment, transfers to vacant lateral or lower level positions where the Employee is capable of performing the work and/or normal attrition, but if deemed necessary by the University, layoffs will be utilized.

B. While the Employee is on layoff, the Employer will make its normal contribution toward the cost of the health care coverage premium for the month of separation due to layoff. An employee may exhaust accrued vacation at the time of layoff but doing so will not extend the Employer's health care contributions.

General Provisions:

-110 For purposes of layoff only, layoffs shall be within units identified below (see paragraph 118).

-111 Employees to be laid off shall be given at least 45 calendar days written notice, not to be offset by accrued vacation. Effective with notifications provided on March 1, 2020 and after, the minimum notice in the above sentence shall change to sixty (60) days. The written notice shall contain information directing Employees where to get assistance with questions concerning possible continuation of their health care and other benefits impacted by the layoff. A copy of the layoff notice will be sent to the Association Chairperson.

-112 Within a unit, probationary Employees will be separated before non-probationary Employees are laid off, where the non-probationary Employees are able to perform the work within a 90 day evaluation period.

A. Where ability to perform the work remaining is equal, the Employer will follow these priorities for reduction in force:

1. Temporary before permanent.
2. Employees with unsatisfactory records before Employees with satisfactory records. In the case of evaluations, an Employee shall not be considered unsatisfactory until the Employee's performance is determined to be unsatisfactory in two consecutive evaluations.
3. Employees with short service before Employees with long service.

-113 Recall from Layoff. Recall is the reinstatement of a laid-off Employee to active status within the period as defined in the provision on seniority as provided in paragraph 116 below. In the event of recall, the Employee will retain the original service date and will receive FTE service credit for up to two (2) years for the period of layoff as specified in Article 7, paragraph 46, #4. Accrued sick leave will be reinstated when the Employee returns to work. Copies of notices of recall shall be sent to the Association Chairperson.

-114 Employees shall not be required to accept a bypass interview opportunity to a vacant position in a represented work location other than the current work location. Should a bypass interview opportunity at another represented work location be offered and rejected by the Employee, no further bypass interview opportunity shall be offered for that represented work location during the remaining recall period.

-115 To be eligible for recall from layoff, the Employee must satisfy the following requirements:

1. Must be a regular Employee.
2. Must have been scheduled to work half-time or more.
3. Must have completed the probationary period.

-116 In the event that during a period of layoff there is a vacant position, the two (2) Employee(s) with the greatest length of service who meet the minimum requirements and are capable of performing the duties of the position within a ninety (90) day evaluation period shall, with no obligation to hire the bypass candidates(s), be added to the list of candidates to be interviewed as provided in paragraph 100.

An Employee who meets the minimum requirements for a vacant position and who is not added to the list of candidates to be interviewed shall receive written reasons documenting the Employer's decision with a copy to the Chairperson of the Association. Upon request, the Employee shall have an opportunity to meet with a representative of MSU Human Resources to review and discuss the reasons. Employees will not be added to the interview lists under this provision in any case where the posting has closed and a list of candidates has been sent to the employing unit.

-117 An Employee on layoff status will lose all recall rights and be terminated upon the occurrence of any of the following:

1. Unreasonable refusal to be available for an interview.
2. Refusal to accept a position offered in the current work location as defined in clause 114 above if the salary offered is equivalent to eighty (80) percent or more of the Employee's salary before layoff.
3. Expiration of the recall eligibility period referred to in the provision on seniority.

4. Twenty-four (24) hours of accrued sick leave per fiscal year may be used for illness of a member of the immediate family as defined in paragraph 259 or a member of the household. -188 The University, for cause, may direct an Employee to go on sick leave.

-189 Employees may be required to obtain approval from the University Physician's recommended physician before returning to work.

In the event of a dispute involving an Employee's ability to perform their job at the University, and when the Employee is not satisfied with the determination of the University's recommended physician, they may submit a report from a medical doctor of their own choosing. If the dispute still exists, the University's recommended physician and the Employee's doctor shall agree upon a third medical doctor to submit a report to the Employer and the Employee, and the decision of such third party will be binding on both parties. The third opinion shall be within the constraints of state and federal law. Accrued sick leave may be used as appropriate. The Employee will be made whole if the results of the third medical examination conclude the Employee should not have been placed on leave.

-190 Workers' Compensation benefits will be supplemented by accrued sick leave credits as necessary to maintain the Employee's total income at an amount equivalent to eight (8) hours of pay at the base rate of pay for each day of absence.

-191 University designated holidays falling within an Employee's paid sick leave will not be charged to sick leave.

-200 An Employee who fails to notify the Employer of their intent to return within thirty (30) calendar days of the expiration of a leave of absence in excess of one (1) year duration will be given written notice within twenty-one (21) calendar days prior to the expiration of said leave.

This applies to Employees who are inducted through a selective service system of voluntary enlistment and to Employees called through membership in the National Guard, the United States Reserve Corps or other federal or state recognized military organization.

ARTICLE 26

MATERNITY LEAVE

-202 Initially, the Employee must submit a letter from a physician giving the projected delivery date. MSU Human Resources will not require further medical documentation covering absences for a pregnancy when they occur within a period of four weeks before the projected delivery date and eight weeks following the delivery date. Beyond these periods, a statement will be required from the Employee's physician stating the reasons for the requested leave extension. Leaves associated with pregnancy may be either with or without pay, depending on accumulated sick leave or vacation leave.

ARTICLE 27

FLEXIBLE APPOINTMENTS

-203 Flexible appointments are appointments of Administrative Professional staff providing between 75 and 95 percent time equivalent salary over a calendar year, with some fringe benefits equivalent to full-time appointments. A flexible appointment is a voluntary commitment by an Employee to a specific schedule of work. Flexible appointments may be in one of the following forms:

Type 1: Full-time, active employment for 9, 10 or 11 months per year with a prescheduled unpaid leave of absence with benefits ("flex-leave") during the remaining months.

Type 2: 75-89% scheduled time active employment over the entire calendar year with a part-time equivalent salary.

-204 As with any Administrative Professional position, job demands may require work outside and in addition to those of the regularly scheduled flexible schedule.

-205 Where a Type 1 flexible appointment includes a leave with benefits, the Employee's position is held for their return at the end of the flex-leave, subject to the conditions specified in paragraph 231.

-206 The objective of flex-year appointments is to achieve budget flexibility where departmental functions can be accomplished with 75 percent employment, through a combination of benefits and other incentives.

-207 Departments identify positions for flexible appointments. Regular Employees and persons to be employed in those pre-identified positions may agree to be placed in flexible appointments. Employees desiring flexible appointments whose positions are necessarily full time may apply for transfers to flexible appointments, subject to relevant policies and negotiated agreements. When a department desires to change a position from full time to a flexible appointment and the incumbent does not volunteer for that status, reduction in force procedures may be initiated to achieve the reduction within the department. If a flexible appointment position is subsequently eliminated, reduction in force procedures will be initiated. Staff members with flexible appointments who later desire a change in appointment may apply for other positions as they become available.

General Provisions

A. Flexible Positions

-208 The department administrator shall identify the positions appropriate for flexible appointments and, if specific duties are to be eliminated, indicate in writing the duties of such

positions that are to be eliminated. This designation must be approved by MSU Human Resources, after receiving Employee input.

-209 Once a position is officially designated as flexible, only flexible appointments are acceptable.

-210 A flexible position shall maintain that designation until the department administrator acts to designate it otherwise by submitting the appropriate form for the approval of the MSU Human Resources.

B. Flexible Appointments

-211 A flexible appointment, either as an initial appointment or as a change of appointment, may be granted only with the agreement of a prospective or current staff member. Without agreement, a current staff member may be subject to the Reduction in Force policy.

-212 A flexible appointment must be arranged in advance with an Employee, and approved by the departmental administrator and the MSU Human Resources.

-213 All flexible appointments will annually provide a minimum of 1,560 hours of scheduled work (subject to necessary reductions in force).

-214 A flexible appointee's FTE salary is the amount that would be paid if an entire year was worked in full time (e.g., \$1,000/month x 12 months = \$12,000). The base salary is the actual expected pay during the year. For example, if the FTE salary is \$12,000, base salary at 75 percent would be:

Type 1: \$1,000 x 9 months = \$9,000; Type 2: \$750 x 12 months = \$9,000

-215 Flexible appointees are regular AP Employees.

-216 Leaves with benefits may be established for periods of one month or more, up to a maximum of three months (in increments of one month).

-217 Leaves with benefits are only those that are prearranged as part of an approved flexible appointment.

-218 No Unemployment Compensation is paid during a leave with benefits.¹

-219 If the flexible appointment converts to full-time status, the Employee will receive an appropriate salary adjustment.

¹Inasmuch as appointees on flex-leave have neither been laid off nor terminated but are on a mutually agreed-upon leave of absence, they are ineligible for Unemployment Compensation. If Unemployment Compensation is sought by the Employee, the leave with benefits is voided and the Employee shall be placed on layoff status, without application of reduction in force provisions.

-220 Employees volunteering for flex-leaves must appropriately document their voluntary concurrence with their change in status. This action is subject to the review and approval of MSU Human Resources.

Fringe Benefits

-221 A flexible appointee's benefit eligibility during active flexible status and unpaid flex-leave is as follows:

-222 Flexible appointees:

1. Receive the University contribution toward health care.
2. Have Long-Term Disability, Dental and Basic Life Coverage.²
3. May maintain group life and optional accident coverage. MSU HR will bill Employees for applicable employee deductions related to benefits.

Banking educational assistance will be available only to Employees on flex-leave. All other provisions of the educational assistance program must be satisfied. Type 2: During the entire calendar year, the Employee accrues leave at a proportionate rate (unless additional leaves without pay are taken or the Employee's status changes).

²Subject to all current eligibility requirements. Staff members otherwise eligible for Long-Term Disability continue their eligibility during the leave with benefits as well as during active employment; however, benefit payments do not begin during the leave with benefits. The base salary for the period of active employment before the flex-leave is used to determine benefits.

-227 University Contribution to the MSU 403(b) Base Retirement Program and Social Security.³

-228 All salary-related benefits (paid leave, Employee-Paid Life, MSU 403(b) Base Retirement Program, Long Term Disability, Expanded Life Plan, Extended Disability, and longevity) are based upon the flexible appointee's base salary. The longevity cap will be that of full-time Employees.

Affected staff members will be given written notice as soon as practicable, but no less than that stipulated in the reduction in force policy.

Salary Payments

-232 Flexible appointees receive their base salary during their period of active service and no salary during flex-leave.

³Subject to all current eligibility requirements.

An affected Employee may consult with a representative of the Association before making a voluntary election to accept a flexible appointment.

ARTICLE 28

LONGEVITY PAY

-238 A longevity pay plan to recognize long-term employment is provided after six (6) years of continuous service with the University to regular staff working half time or more.

-239 The longevity year is the 12-month period beginning October 1 each year, and ending September 30. The last date of hire will be used as the longevity date. The Employee must be engaged in active employment for 39 calendar weeks (273 calendar days) and be on the payroll as of October 1 of the longevity year. Six (6) years or more of continuous service as of October 1 of the longevity year is required for eligibility.

-240 Eligible Employees who have periods of inactive service totaling 93 days or more during a longevity year will not receive a longevity payment that year and will have the longevity date adjusted for future years.

-241 Military leave of absence will not adjust the longevity date.

-242 Full-time Employees who terminate before October 1 who are 65 years of age and have five (5) or more years of full-time service, or who meet the minimum University retirement requirements will receive a prorated longevity payment.

-243 Employees who are not on the active payroll because of layoff, but who otherwise meet the eligibility criteria will receive a longevity payment.

-244 Employees who are on leave of absence on October 1, but otherwise meet the eligibility criteria will receive a longevity payment upon return to work. Payment is scheduled annually on the first working day of December and is computed as a percentage of the Employee's annual base rate of pay as of September 1 of the calendar year in which the longevity payment is made. -246 The University recognizes the civic responsibility of Employees to serve on jury duty and makes provision for eligible Employees to perform such duty without loss of pay. Employees who are called to serve on jury will be compensated for the difference between pay received from the court and straight time base pay. Employees who are called to testify pursuant to court-issued subpoenas will receive jury duty pay in that event also.

-247 Benefit begins on date of hire, rehire, or change to regular status of half-time or more. The Employee must notify supervision of the call to jury duty as soon as the information is known and must provide proof of the call to jury duty and proof of jury duty pay. The Employee is expected to report for regular University duty when temporarily excused from attendance at court. When called to testify, the Employee must provide proof of subpoena and proof of witness fee or proof that no witness fee was provided.

-249 Employees serving on jury duty who are absent from work for more than 80 continuous hours will be required to submit proof of jury duty payment to their supervisor to facilitate the offset and adjustment of their regular, straight-time base pay by jury duty payments or witness fees received from the court.

-250 If the Employee is otherwise eligible for holiday pay, holiday pay may be made if jury duty is interrupted by a legal holiday recognized by the University.

-251 Part-time Employees will be paid the difference in pay only for the hours scheduled to work but not worked because of jury duty.

ARTICLE 30

MILITARY DUTY PAY

-252 The University recognizes the value of the military reserve and makes provision for eligible Employees to attend short-term military duty without loss of pay.

-253 The University will pay the difference between the Employee's military pay and base pay, if the Employee's military pay is less, for up to 15 calendar days when the Employee is ordered to active duty for training, and for up to 10 additional calendar days when the Employee is ordered to active duty for the purpose of handling civil disorders, per fiscal year.

-254 Begins on date of hire, rehire, or change to regular status of half-time or more. The Employee must notify supervision of the call to military duty as soon as the information is known and must provide proof of the call to military duty and proof of military pay.

-255 For each full work day of absence, the Employee will receive the difference in pay between:

- a. Regular military pay less any amounts specifically received for meals, housing or travel, and
- b. Eight (8) hours of regular pay at the base rate of pay, excluding shift premium or other premium payment.

-256 An Employee may use accrued vacation time in addition to receiving military duty pay. Part-time Employees will be paid the difference in pay between the total military duty pay received and the Employee's base pay for the total hours scheduled to work but not worked because of the military duty, if the military duty pay is less.

Additional time, if required, may be granted in accordance with other leave policies.

-260 The supervisor may require proof of death and relationship to the deceased before approving payment. A maximum of eight (8) hours' pay may be made for each day of absence. Each hour paid to an Employee shall be paid at the Employee's straight time base rate of pay and shall not include shift premium or other premium payment. This benefit is payable only to active Employees whose absence from work is due to the death in the Employee's family and will not be paid in lieu of other types of paid leave.

-261 Part-time Employees will be paid only for the hours scheduled to work but not worked because of the death.

-262 Allowed bereavement days may be taken any time during the period including the day of death and the day following the funeral to be used within six months after the death.

-300 Employees interested in utilizing the tuition waiver program must submit their educational assistance application complete with departmental approval to MSU Human Resources thirty (30) days prior to the semester billing date set by the Fees and Scholarship Office. The application must be marked with a request for tuition waiver. Applications for Educational Assistance received after this deadline may result in late fees being assessed by Enrollment Services according to MSU registration policies. -314 Spouse shall be defined as the legally recognized spouse of a staff member.

-315 Course fees shall be defined as the amount associated with credit hour enrollment and shall not include the registration fee or such fees, taxes and charges as may be collected for third parties.

-316 The course fee courtesy will be granted through the semester in which the 120th credit is attempted, provided the dependent child or spouse is registered as a student in good academic standing at Michigan State University in a curriculum leading to the first baccalaureate degree or to a certificate in the Agricultural Technology program. For undergraduate students with transferable credits and Michigan State University credits attempted equals 120. The course fee courtesy is available only to students enrolled through the on-campus registration process.

-317 The course fee courtesy for dependent children and spouse will be discontinued at the conclusion of the semester or summer session at which the employment of the eligible staff member is terminated. -323 As a scholarship award the Course Fee Courtesy will be considered in determining eligibility for additional financial assistance for those students who also apply for financial aid at Michigan State University. All eligible student applicants will receive the Course Fee Courtesy. However, if other forms of financial aid have been awarded to attend Michigan State University, the aid will be adjusted to reflect the Course Fee Courtesy. Depending on the types of awarded aid as well as when the Office of Financial Aids is informed of eligibility for the Course Fee Courtesy, the adjustment may be made to awarded grants, and loan or work eligibility according to the guidelines of the Office of Financial Aids, and the student shall be so informed.

-324 Eligibility for other tuition-specific awards (such as the Michigan Competitive Scholarship, Kodak Scholarship or Engineering Cooperative Award) will reduce the Course Fee Courtesy award so that the awards in combination will not exceed assessed tuition.

In the event the parties to the Health Care Memorandum of Understanding are unable to reach an agreement, either the Association or the Employer may demand to bargain individually regarding health benefits coverage upon expiration of the 2018-2021 Memorandum of Understanding.

1. Prescription Drug

A. Prescription drug benefits shall be provided to Employees represented by the Association, regardless of the University health plan in which they are enrolled.

B. The prescription drug program implemented pursuant to the agreement shall be as specified in the MSU/Coalition Memorandum.

C. The appropriate premiums for the prescription drug program shall be paid by the University for full-time Employees and proportionately for part-time Employees.

2. Base and Optional Programs

A. Subject to the MSU/Coalition Memorandum, the PPO and HMO shall continue to be offered to Employees. The University's contribution toward the cost of either program shall be the amount of the program having the lower rates in each plan year. This will be known as the base plan. In each of the aforementioned plan years, the cost of the base plan shall be paid by the University for full-time Employees and proportionately for part-time Employees (in accordance with the conditions for part-time Employees set forth below). Employees electing to enroll under a plan other than the base plan will receive the applicable University single, two-person or family base plan contribution toward the optional plan cost, with the difference, if any, payable by the Employee through payroll deduction.

B. Health Plan Contribution for Part-time Staff

(i.) Subject to the MSU/Coalition Memorandum, part-time staff will continue to receive a proportional University monthly contribution for

health insurance based on the single, two-person or family premium for the base plan, and the Employee will pay the remaining premium through payroll deduction.

(ii.) Employees who are employed by the University by 6/30/98, and who are or become part-time, will be eligible to apply for a special dispensation to the University part-time contribution, as defined in the MSU/Coalition Memorandum.

3. Coverage for Married Couples and Other Eligible Individuals

A married couple or Other Eligible Individual must elect one of the options contained in the MSU/Coalition Memorandum.

The foregoing options remain subject to otherwise applicable conditions and limitations regarding eligibility and proportional benefits.

-335 The University reserves the right to change health plan administrators, other than health maintenance organizations, to provide health care coverage for Employees in the unit. Other managed care options may be added by the Employer in addition to the traditional and HMO options currently offered. However, benefit levels now in effect shall not be reduced but may be improved.

-336 A. Employees should enroll within thirty (30) days of employment or within 30 days of an appointment to an eligible status or during annual open enrollment.

B. Employees eligible for MSU health care coverage are eligible to waive the MSU health care coverage each year during the annual health care plan open enrollment to be effective July 1 through June 30. Employees waiving coverage receive up to a \$600.00 payment made in the month of July of the next plan year. Reenrollment into the MSU health plan will be allowed during the year if proof of involuntary loss of other health care coverage is provided within thirty (30) days of loss of coverage. The individual would no longer be eligible for the full lump-sum payment, but would be paid for the waived coverage on a pro-rata basis as provided for on the MSU health care waiver form.

The University shall make reasonable provisions for the safety and health of its Employees during their hours of employment. Re: Health Related Emergency

The following values and principles form the foundation for the assumptions and decisions involved in MSU's health related emergency planning, and they will continue to guide the University and Administrative Professional Association through the management of an extended health related emergency:

- Protection and preservation of life (human, animal and plant) and essential research.
- Protection and preservation of the ability of the University to continue/resume its core missions.
- Minimization to the disruption in people's lives that occur with health-related emergencies and treatment of students and Employees with concern for the impact such events have on individuals.
- Open and sustained communication with the Association, students, Employees, other constituent audiences and the general public about the University's responses to health-related emergencies.

Re: Merit Pay Guidelines

The parties agree that the following guidelines shall be followed when making merit increase allocation recommendations.

Merit increase allocation recommendations should be based on objective performance-related criteria as much as possible; however, subjective judgments will have to be made. Following are steps you may follow to enhance consistency.

Step One

Consider each Employee's performance over the past year based on unit-designated criteria (made known to the Employee), including:

- Results achieved.
- Behaviors that relate to organizational success (e.g. teamwork, creativity, initiative, innovation – see Performance Development Program form for others).
- Overall productivity and work quality.

Human Resources

Your conclusions about performance should have previously been discussed with Employees through the appraisal process or thereafter. Summarizing key performance results may be useful in merit pay discussions with unit administrators and Employees.

East Lansing, MI
48823-5239

517-353-5510
Fax: 517-353-3523
www.hr.msu.edu

Step Two

Where possible, group eligible staff into a few performance levels (e.g. exceptional, commendable, and competent) and construct a merit allocation guideline for the different performance levels. Merit allocation guidelines may be structured in a number of ways, including:

- Using percentages.
- Using flat dollar amounts.
- Recognizing performance/achievements of work teams.

Step Three

Determine merit pay allocations. It is important to understand that, regardless of the approach used, actual allocations will not be based on a fixed formula, since numerous factors will affect merit allocations, including:

- The spread of performance levels in a unit.
- Whether some exceptional Employees substantially exceeded performance expectations.
- The number of Employees in a unit.

The following should not be considered in determining merit pay:

- Eligibility for APL increases.
- Age, race, gender, handicap, etc.

Step Four

Communicate with Employees about the specific reasons for their merit allocations. Topics to discuss may include the performance criteria you used, key performance results, and any merit guidelines you used. This dialog should occur before distribution of the Salary Notification letter (and certainly before it is received in the Employee’s paycheck.)

Both the APA and the University place a high value on thorough communication about merit awards. The APA will monitor the merit program with regard to its effect on all members of the Association and will address questionable adjustments with Employee Relations.

Compliance with these guidelines shall be certified by the immediate supervisor and by anyone modifying the original recommendation on an individual Employee’s merit raise.

On an annual basis, by June 1, the University or the APA may initiate a joint review of the Merit Pay Guidelines. Changes to the Merit Pay Guidelines may be made with the mutual agreement of the parties, but in no circumstances may the changes be made later than August 1 of that year.

This Letter of Agreement shall expire on September 30, 2023.

Please refer to the family and medical leave policy for further guidance on the FMLA.

- Michigan State University will maintain all employer paid benefits for which Employees would otherwise be eligible during the paid parental leave period just as if they were taking any other University paid leave such as paid vacation leave or paid sick leave. Employees will remain responsible for any Employee premiums, contributions or other normally required costs.
- If a University holiday occurs while the Employee is on paid parental leave, such day will be charged to holiday pay; however, such holiday pay will not extend the total paid parental leave entitlement.
- An employee who takes paid parental leave that does not qualify for FMLA leave will be afforded the same level of job protection for the period of time that the Employee is on paid parental leave as if the Employee were on FMLA-qualifying leave.
