If employment continues beyond six (6) months, employees shall begin to accrue vacation and sick leave. Except for the benefits provided for herein, temporary employees shall receive no other considerations.
- D. Successive temporary appointments to perform the same job shall not be used to circumvent the provisions of this Agreement.

V. Reduction in Hours

In the event of the need for reduction in hours in a department, the department shall honor the principle of seniority in determining which employee(s) within the affected

classification(s) will be subject to the hours reduction, provided the employee(s) can perform the work. Employees shall have the rights afforded in Article 17.V.A.6.

VI. Work/Life Balance

The University and the Union support work/life balance. Employees may propose and departments may approve flexible or alternative work schedules that meet the operational needs of the department, do not generate overtime, do not impinge on other employees' contractual rights to use benefit time off and do not impinge on equal opportunity for flexible or alternative work schedules. The decision to approve, disapprove, or modify such requests shall be in the discretion of the Employer, but shall not be unreasonably denied in an arbitrary or a capricious manner.

This premium may exceed the grade level maximum. Where an employee leaves the position with the language proficiency requirement, or the requirement is eliminated, the premium will be removed from the employee's rate of pay. RETIREMENT BENEFIT PROGRAMS

The following sections are for understanding and clarification of the programs offered. Complete detailed information concerning retirement benefits may be obtained from MSU Human Resources. Written notice of proposed changes to retirement benefit programs will be provided to CTU.

I. Retirement Benefits

Michigan State University sponsors the MSU 403(b) Retirement Plan for employees who meet the eligibility requirements. The plan is a defined contribution plan operated under Section 403(b) of the Internal Revenue Code. The MSU 403(b) Retirement Plan includes two different programs: The MSU 403(b) Base Retirement Program, which is either mandatory or voluntary based on eligibility requirements, and the MSU 403(b) Supplemental Retirement Program, which is voluntary.

II. MSU 403(b) Base Retirement Program

A. Eligibility and Participation

In accordance with the program's eligibility requirements as detailed in the 2009 plan document, as amended, for the MSU 403(b) Retirement Plan, regular employees are eligible for participation in the MSU 403(b) Base Retirement Program as follows:

1. The program is optional to employees under age 35 or over age 62 at the time of employment.
2. The program is required as a condition of employment for employees who have attained age 35.
3. Once required participation commences, the employee must continue contributing to the MSU 403(b) Base Retirement Program while employed at the University.

B. Contributions

1. The MSU 403(b) Base Retirement Program consists of a five percent (5%) employee contribution based on the employee's per pay period wages, with the University's matching contribution of ten percent (10%) based on the same applicable pay.
2. All contributions to the MSU 403(b) Base Retirement Program are fully and immediately vested.

C. Vendor and Investment Options

Information regarding the agreed upon investment vendor(s) is available through MSU Human Resources. Employees may select an investment vendor to manage contributions.

D. Retirement for Employees Hired Prior to January 1, 1973

1. Effective January 1, 1973, the University Non-Contributory Retirement Program ceased to exist. However, to ensure that no employee lost credit for prior years of service, the following guidelines were established to provide that an employee will receive no less than what an improved plan formula would give her/him upon retirement.
2. Those persons employed prior to January 1, 1973, who were 55 years of age or older and/or had 25 years of service on January 1, 1973, could elect to remain subject to the improved University plan formula described below:
 - a. The formula governing the old retirement plan was improved by basing pensions on an amount equal to the highest three year average earnings, multiplied by 2 percent for each year of service, with a \$3600 ceiling.
 - b. This new formula will be applied for each employee at retirement and will become the minimum received by the employee.
 - c. The annuity that could be purchased by MSU's contribution to the MSU 403(b) Base Retirement Program will be compared to the pension amount as computed in 1 above, and the employee will receive the larger of the two figures. Provided the employee meets the minimum retirement requirements, employee contributions (retroactive to January 1, 1973) will be available as an additional annuity.

- d. Those employees age 55 or over and/or those with 25 years of service not participating in the MSU 403(b) Base Retirement Program will have their retirement figured solely on the improved formula plus a 10 percent addition added to the base pension prior to actuarial reduction or the selection of a survivor option.
- e. Employees who "retire" without meeting the minimum provisions for vesting under the old plan; i.e., 62 years of age with 15 years of service or 25 years of service at any age (subject to normal actuarial and age deductions, if any), will receive a retirement benefit solely from the contributions made to the MSU 403(b) Retirement Plan.

III. MSU 403(b) Supplemental Retirement Program

A. Eligibility and Participation

Regular employees are eligible to participate in the MSU 403(b) Supplemental Retirement Program in accordance with the program's eligibility requirements as detailed in the 2009 plan document, as amended, for the MSU 403(b) Retirement Plan. Employees may commence or modify participation in the program at any time.

B. Contributions

- 1. The MSU 403(b) Supplemental Retirement Program is fully funded by employee contributions on a pre-tax basis. Employees may change or cancel the amount of contribution at any time.
- 2. All contributions to the MSU 403(b) Supplemental Retirement Program are fully and immediately vested.

C. Vendor and Investment Options

Information regarding the agreed upon investment vendor(s) is available through MSU Human Resources. Employees may select an investment vendor to manage contributions.

IV. Enrollment Information

The MSU 403(b) Retirement Plan enrollment information and detail are available through MSU Human Resources and on the Benefits website.

1. Upon official retirement from MSU (age 62 with at least 15 years of service credit or 25 years of service credit at any age), an official retiree may then enroll (or continue enrollment) in the health care and dental plan coverage available to MSU retirees. MSU will contribute, only for the official MSU retiree, 100% of the University contribution (excluding any Medicare premiums) toward the lowest cost MSU health care and dental plan. Enrollment in MSU health care and dental plan coverage may be continued for any eligible spouse, Other Eligible Individual and/or dependent(s) if the official MSU retiree pays the full applicable premium cost for the coverage.
2. In the event of the death of an official MSU retiree, or an employee who meets the requirements to be an official MSU retiree, the surviving spouse, Other Eligible Individual, and/or dependent(s), if any, may continue health care and dental plan coverage through MSU by paying the full applicable premium cost.

If there is no surviving spouse or Other Eligible Individual, eligible dependents may elect COBRA continuation coverage, if applicable.

The surviving spouse or Other Eligible Individual cannot subsequently add a new spouse or Other Eligible Individual and/or dependent(s) to their MSU health care and dental plan coverage.

- D. Employer contributions for retiree health and dental plan coverage are not provided for employees hired on or after July 1, 2010.

Retiree Access to MSU Health Care and Dental Plan

Enrollment in MSU health care and dental plan coverage may be continued for any eligible spouse, OEI and/or dependent(s) if the official MSU retiree pays the full applicable premium cost for the coverage.

- E. Effective July 1, 2015, for benefits eligible employees hired on or after July 1, 2010 the University will, upon hire, contribute 0.5% (one-half percent) of the employee's retirement eligible earnings into a separate employer contribution account within

the existing MSU 403(b) Retirement Plan on a pay period basis until one hundred twenty (120) vacation service months are reached; after one hundred twenty (120) vacation service months of service the University's contribution increases to 0.75% (three-quarter percent) of retirement eligible earnings.

1. MSU's contributions will be deposited into a default investment fund initially at an MSU designated retirement vendor; the employee can redirect to fund(s) of their choice by selecting from core options available in the 403(b) Retirement Plan including the brokerage accounts. Additional information on the default and optional investments is available online.
 2. The accumulated account balance will become 100% vested immediately.
 3. The method used to calculate the one hundred twenty (120) vesting service months shall mirror the method used to determine vacation service months.
- F. Employees participating in the Employee-Paid Life plan at the time of retirement and who were enrolled prior to July 1, 1976, shall receive a \$2,000 life plan benefit fully paid by the Employer.
- G. Under no circumstances shall reemployed employees be eligible to receive the University contribution towards the group health and dental coverage in addition to the contributions to the separate employer contribution account described above.

 - C. Employees interested in a specific posting must notify MSU Human Resources of their interest by submitting the appropriate information requested to the Human Resources website before the closing date of the Position Vacancy Notice.

III. Interviews

- A. Where available, up to twelve (12) applicants from the University at large meeting the posted qualifications and having the greatest University seniority shall constitute the initial interview list.
1. Candidates on an initial interview list who:
 - a. withdraw from consideration prior to being interviewed,

If a vacancy has been posted and withdrawn and the classification and requirements are unchanged, the names originally submitted for the filling of the vacancy shall be resubmitted if the vacancy is reposted within 120 days of the original posting. If any of the employees are no longer interested or available for the position, the list may be supplemented under the outlined procedures so that the total names submitted are consistent with the defined procedure. If the vacancy is reposted after 120 days of the original posting, it will be considered a new posting.
- B. An employee will be given reasonable "time off" from her/his job for the purpose of interviewing for another University position and/or taking qualifying examinations, if such arrangements are made in advance with her/his supervisor(s). It shall be understood that the department considering an employee for transfer or promotion may contact the employee's current department for an evaluation of the employee's performance in her/his current position.

- E. A position upgraded by reclassification shall be considered a vacancy subject to all the provisions above unless the incumbent is qualified and has performed the duties, based on which the position was reclassified, for a minimum of 256 working hours and is not serving a probationary or trial period. In that case, the incumbent shall be retained in the reclassified position.
- F. Employees receiving less than satisfactory performance evaluations, written reprimands and/or suspensions may be restricted from applying for vacant

positions by MSU Human Resources, provided that the employee and the Union shall be notified whenever MSU Human Resources elects to invoke this restriction.

V. Conditions for Bypassing the Procedure

- A. The procedure for filling a vacancy shall be bypassed for persons holding the following priority status and meeting the requirements for the position and who are capable of performing the duties of the position:
 - 1. Employees who at their own or the Employer's discretion terminate a trial period prior to the conclusion of 520 working hours shall have preference for any vacancy at their former grade levels or at the discretion of the Employer at their current grade levels and as provided under the trial period section below.
 - 2. Employees on leave drawing Workers' Compensation benefits for any position at their former or lower compensation grade levels, the duties of which they are able to perform, provided that during their absence they did not become subject to layoff.

 - 4. Employees eligible for recall from layoff or to prevent the imminent layoff from another position.
 - 5. Employees returning from approved personal leaves without pay provided that during their absence they did not become subject to layoff.
 - 6. Employees whose positions are changed from full-time to part-time. In the event of the need for reduction in hours in a department, the department shall honor the principle of seniority in determining which employee(s) within the affected classification(s) will be subject to the hours reduction, provided the employee(s) can perform the work.
- B. Employees shall not be required to accept a bypass opportunity to a vacant position in a represented work location other than the current work location (i.e. College of Human Medicine at Grand Rapids, College of Osteopathic Medicine at Detroit Medical Center, College of Osteopathic Medicine at Macomb University Center, or the City of Lansing/East Lansing Campus). Should a bypass opportunity at another represented work location be offered and rejected by the employee, no further bypass opportunity at another represented work location shall be offered for that represented work location during the remaining recall period.
- C. Employees promoted out to a position in another bargaining unit and returning before the end of the probationary period may be bypassed to a vacant CT position.

- E. Absent mutual agreement, any one employee shall only be the subject of one meeting.

VI. Trial Period

- A. An employee promoted, demoted or transferred shall begin a trial period consisting of 256 working hours.
- B. Prior to the expiration of this period, the employee at her/his discretion, or at the discretion of the Employer, may be returned to her/his former position, if the position is vacant.
- C. When a trial period is terminated and if the employee's former position is not vacant, the University will, within ten (10) working days, place the employee in a vacant position for which she/he is qualified at the employee's former grade level or current grade level at the discretion of the Employer. The employee shall be interviewed by MSU Human Resources prior to a decision in regard to assigning the employee in a vacant position.
- D. If no vacancy exists, the employee shall be entitled to her/his former position.
- E. If the employee's former position has been eliminated, this shall be considered a reduction in the work force in the department from which the employee promoted or transferred, and she/he shall be subject to the provisions of Article 18.

VII. Requalification Period

A bypassed employee returning from unpaid leave or from layoff shall begin a 520 working hours requalification period. The requalification period may be terminated at the discretion of the employee or by the Employer for failure to meet reasonable expectations. Failure to complete the requalification period will return the employee to her/his former status of unpaid leave or layoff and eligibility for bypass. Termination of a second requalification period will return the employee to her/his former status of unpaid leave or layoff, making her/him subject to the normal selection procedures. The Employer shall provide an opportunity for reasonable job orientation/training to enable an employee to meet expectations in the position during the requalification period.

VIII. Access and Review of Procedure

Records pertaining to the filling of a vacant position shall be retained for at least twenty (20) working days following notice of those interviewed or the starting date of the selected employee. Except for records containing personal data of other employees, individuals who were actually interviewed for a position and/or a representative of the Union may review the records at a time and place mutually agreeable to the employee, the Union, and MSU Human Resources.

ARTICLE 18

LAYOFFS

I. General Provisions

Layoff is defined as a reduction in the work force. The Employer agrees that a layoff shall never take place for punitive purposes. The Union will be given the opportunity to discuss the circumstances with the Employer prior to the effective date of the layoff. Where practicable, the Employer will attempt to reassign rather than lay off.

- A. For purposes of layoff, University seniority shall apply.
- B. Among probationary employees, seniority shall not apply. A probationary employee in the grade level in the department shall be laid off before an employee with seniority is laid off provided the seniority employee is capable of performing the work.

II. Procedures

A. Departmental

1. The first employee to be laid off shall be the employee within the department with the least University seniority in the grade level where the layoff is to occur.
2. An employee subject to layoff shall be entitled to any vacancy in her/his grade level provided she/he is capable of performing the duties of the position.
3. It shall be assumed throughout this article that an employee can perform the duties of a position if she/he is able to do so within a training period of not more than 256 working hours. The employee shall not be entitled to a vacancy or to replace another employee if more than 256 working hours of training are required.
4. The employee subject to layoff shall at her/his own discretion have the right to remain in her/his current department by accepting a voluntary demotion to a vacant position in which she/he is capable of performing the work.

B. University

1. If no vacancy exists in a lower grade level, or if the employee elects not to accept a position at a lower grade level in the department where the layoff is to occur, the employee shall take a vacant position outside of the department at the same grade level or, at her/his discretion, a position at a lower grade level for which she/he is capable of performing the work.
2. If no vacancy at the same grade level is available, or the employee does not accept a position at a lower grade level, the employee subject to layoff may exercise her/his seniority within her/his administrative division (Academic or Operational as identified in Appendix III) of the University and

replace the least senior employee in the same grade level where she/he is capable of performing the work.

3. The least senior employee at a grade level who is subject to layoff shall be entitled to any vacancy at the next lower grade level, the duties of which she/he can perform. If no vacancy is available, the employee shall have the right to exercise her/his seniority over the least senior employee in the next lower grade level or levels, the duties of which she/he can perform.
- C. The employee thus replaced may exercise her/his seniority to fill another vacancy or replace another employee in the above manner.
- D. An employee subject to layoff shall be deemed to have voluntarily resigned if she/he refuses a position at the same grade level as her/his current position.
- E. The Employer agrees that an employee and the Union will have fifteen (15) working days' notice, in writing, prior to layoff. An employee's accrued vacation leave may not be used in lieu of the fifteen (15) working days' notice.
- F. Positions becoming available shall be offered to employees under preference established in Article 17.V.A.4., Filling Vacant Positions, and employees laid off shall be recalled in order of greatest seniority as defined in Article 20, providing they are capable of performing the duties of the position. Employees laid off shall also have the right to accept a recall to a position at a lower level if they are capable of performing the duties of the position.
1. Notice of recall shall be sent to the laid-off employee at her/his last address of record as recorded in the Employee's Official Personnel Folder by registered or certified mail, return receipt requested.
 2. Positions to be filled shall be offered to laid-off employees who are qualified. An employee so notified must indicate her/his acceptance of recall within five (5) working days after receipt of notification from the Employer. The employee must report to work within eleven (11) working days after receipt of the notice.
 3. Failure to receive recall notice within fourteen (14) calendar days from the date of mailing or return of recall notice as undeliverable, whichever is later, will result in termination.
- G. Employees shall not be required to exercise their rights under Article 18, Section II.B.2. or Section II.C. (bumping rights) in a represented work location other than their current work location (i.e., College of Human Medicine headquarters at Grand Rapids, College of Osteopathic Medicine at Detroit Medical Center, College of Osteopathic Medicine at Macomb University Center, or the City of Lansing/East Lansing Campus).
- H. Failure to accept recall from layoff or report for work provided the position offered was at the classification or comparable compensation grade level which the employee held at the time of layoff, terminates seniority, recall rights, and employment with the Employer.

- I. Failure to be restored to duty from layoff for a period of time equal to University seniority or two (2) years, whichever occurs first, shall terminate the employee's seniority, recall rights, and employment with the Employer.

III. Temporary Layoffs

In the event of circumstances beyond the Employer's control, temporary layoffs of five or fewer days in a contract year may be scheduled provided that the Employer provides 30 days' notice and works with Union representatives to explore alternatives to a layoff within that period. If no workable alternatives are found, the layoff may proceed without regard to the provisions of Article 18 and Article 11.II.D.6. The application of this provision shall not be undertaken independently by individual units. Whenever temporary layoffs occur, an employee may not be laid off again until eleven (11) months have elapsed from the date of the last day of the preceding layoff.

IV. Limited-term Employees

- A. Limited-term employees who are hired in or voluntarily change to limited-term positions, not to be less than 180 days, shall be eligible for all University benefits. Limited-term employees who are given a written termination date (CTU will receive a copy) at the time of hire or change of position, are not subject to the procedures specified in Section II.
- B. Limited-term employees whose appointment is not continued will receive severance pay of one (1) normal week's pay for each year of University service to a maximum of five (5) weeks. The first year shall be based upon a minimum of ten (10) month's service. Monies due will be paid as salary continuances until the maximum is reached or the employee is reemployed.
- C. No severance payment is applicable to those leaving the University because of retirement, industrial injury, illness, resignation, or discharge.
- D. If reemployed in a limited-term position, employees shall retain credits for all salary continuances not used.
- E. Persons changing from these types of positions to non-limited term positions are no longer subject to the provisions of this section.
- F. The University may convert a limited-term position to a regular position at its discretion.
- G. Each limited-term appointment shall be restricted to up to five (5) years duration. A limited-term appointment may be extended for up to a three (3) year period. If the employer chooses to maintain the position after five (5) years plus extensions totaling three (3) years, the position shall be converted to a regular position.
- H. Limited-term employees shall be provided a forty-five (45) day notice of non-renewal of a limited-term appointment.
- I. An individual in a limited-term position whose position is not continued shall be permitted to apply as a University candidate for vacant positions for the length of

her/his service to a maximum of two (2) years following the end of the limited-term appointment.

- J. The University shall be limited to no more than 200 limited-term positions at any given time.

V. Other Provisions

- A. For the purpose of layoff, Union Executive Board members not to exceed eleven (11) shall be deemed to have greater seniority than other employees within their grade levels or lower grades in all classifications if they are capable of performing the duties.
- B. For the purpose of layoff, Union Representatives not to exceed forty (40) shall be deemed to have greater seniority than other employees within their grade levels or lower grades in all classifications in their representation units if they are capable of performing the duties.
- C. An employee recalled from layoff status shall receive all contractual increases given during the period of layoff.
- D. An employee recalled from layoff status who receives a promotion shall receive the appropriate promotional increase (Article 8.VII) based on the rate of pay she/he is earning at the time of return.
- E. Employees while on layoff status will be permitted to fill temporary and/or on-call assignments on the following basis:
 - 1. The employee must notify MSU Human Resources that she/he is willing and available for part-time.
 - 2. MSU Human Resources will attempt to facilitate the placement of the employee in available assignments.
 - 3. Work in a temporary or on-call assignment will not be considered a return from layoff status and the employee will be considered to remain on layoff status.
 - 4. Time worked in a benefit eligible temporary assignment that is expected to last in excess of thirty (30) days shall result in the earning of service credit, benefits and seniority.
 - 5. Time worked in an on-call assignment shall not result in the earning of service credit, benefits or seniority.
 - 6. At the conclusion of the temporary or on-call assignment the employee will continue on layoff status in accordance with Article 18.
- F. An employee changing positions resulting in a lower grade level due to layoff shall:
 - 1. Receive a three percent (3%) reduction in her/his base rate of pay if demoted one (1) grade level.

2. Receive a five percent (5%) reduction in her/his base rate of pay if demoted two (2) grade levels.
3. Receive a two percent (2%) per grade level reduction in her/his base rate of pay if demoted more than two (2) grade levels.
4. Receive the reduction in pay based on her/his rate of pay at the time of return.
5. Be required to have her/his base rate of pay within the range of the new grade level.

ARTICLE 19

WORKERS' COMPENSATION

- I. The Employer, in accordance with the State law, provides Workers' Compensation if an employee is injured in the course of employment by providing for continuation of a portion of the employee's wages. Workers' Compensation benefits will be supplemented by accrued sick leave credits until they are exhausted to maintain regular gross income. When accrued sick leave credits are exhausted, the employee may elect to use accrued vacation and/or personal leave credits to supplement Workers' Compensation benefits.
- II. Workers' Compensation benefits begin after seven (7) calendar days of time lost from work. After 90 calendar days of employment, the Employer will waive the seven-day statutory waiting period and will continue the employee's full pay for the one-week period.
- III. II. Group Grievance

In the event that employees have a group grievance, the Union Representative shall submit the grievance on behalf of all named and similarly affected employees. A group grievance shall be only one in which the fact(s) in question and the provisions of the Agreement alleged to be violated are the same as they relate to each and every employee in the group. When the affected group is contained within one department, college, or division, the grievance shall be initiated at Step Two of the grievance procedure. Any other group grievance shall begin at Step Three.

III. Oral Step

An aggrieved employee should promptly notify her/his immediate supervisor that she/he has a grievance. The employee may at her/his option discuss the matter directly with the supervisor or may request a representative of the Union to be present for the purpose of attempting to adjust the grievance.

IV. Formal Grievance Procedure

A. Step One

1. If the aggrieved employee does not receive a satisfactory oral answer, or if she/he does not receive any answer at the Oral Step within three (3) mutual working days following the day of oral presentation, the aggrieved employee may reduce the grievance to writing and submit it to the appropriate supervisor.
2. A grievance must be submitted in writing within fifteen (15) working days of the occurrence of the condition(s) giving rise to the grievance, or within fifteen (15) working days of the date it is reasonable to assume that the employee(s) should reasonably have become aware of the condition(s) giving rise to the grievance, or within three (3) working days following the Oral Step, whichever is latest, in order for the matter to be considered a grievance under this Agreement.
3. The grievance shall be submitted on forms provided by the Union, dated and signed by the aggrieved employee(s) and shall set forth the facts, dates, and provisions of the Agreement that are alleged to have been violated and the remedy desired. At the time the grievance is received, the supervisor or designee shall sign and date a copy, which shall be returned to the grievant. A meeting shall be held if requested by either party.
4. In the event the immediate supervisor or designated representative does not answer the grievance within ten (10) working days, the grievance may be appealed to the next higher step of this grievance procedure within five (5) working days after the expiration of the applicable time limit.
5. In the event the answer of the supervisor or designated representative is unacceptable to the grievant, the grievance may be appealed to the next higher step of this grievance procedure. Any grievance not appealed within five (5) working days after such answer shall be considered settled on the basis of the written answer of the supervisor or designated representative and shall not be subject to further appeal and/or review.

B. Step Two

If the grievant is not satisfied with the disposition of the grievance at Step One, the grievant may appeal the grievance to the administrative head of the unit or her/his designee within five (5) working days after the date of the answer. Such appeal shall be in writing as in Step One and shall state the reason(s) why the Step One disposition is not satisfactory.
2. Within ten (10) working days after receipt of such request for appeal, the administrative head or her/his designee shall hold a meeting with the grievant in an attempt to resolve the alleged grievance. Only persons directly related to the grievance shall be present at the meeting. The grievant may be represented by the Union. Representatives of the Employer and the Union shall not exceed three (3) in number respectively (including the grievant and the supervisor).

3. Within five (5) working days following conclusion of such meetings, the administrative head or her/his designee shall provide the grievant with a written disposition of the grievance.

C. Step Three

If the grievant is not satisfied with the disposition of the grievance at Step Two, the grievant may appeal the grievance to the Director of Employee Relations within five (5) working days after the date of the answer. Such appeal shall be in writing as in Step One and shall state the reason(s) why the Step Two disposition is not satisfactory.
2. Within ten (10) working days after receipt of such request for appeal, the Director of Employee Relations or her/his designee shall hold a meeting with the grievant in an attempt to resolve the alleged grievance. Only persons directly related to the grievance shall be present at the meeting. Representatives of the Employer and the Union shall not exceed four (4) in number respectively (including the grievant and supervisor). D. Step Four

In the event of an unsatisfactory decision or no decision, the Union may submit the grievance to arbitration.

3. The American Arbitration Association shall be requested by either or both parties to provide a panel of ten (10) arbitrators. The parties shall attempt to select an arbitrator from this list within ten (10) working days. If there is no selection from the list, the American Arbitration Association shall appoint an arbitrator.
4. The rules of the American Arbitration Association shall apply to all arbitration hearings. The arbitrator shall be requested to issue her/his decision within thirty (30) days after the conclusion of testimony argument and submission of briefs. The decision of the arbitrator will be final and binding on all parties, and judgment therein may be entered in any court of competent jurisdiction.
5. The process of expedited arbitration, under the rules of the American Arbitration Association, may be utilized by mutual written agreement of the Employer and the Union on a case-by-case basis. The arbitrator need submit only the conclusion and award in writing.
6. Fees and authorized expenses of the arbitrator shall be shared equally by the University and the Union. 7. The arbitrator shall have no authority to add to, subtract from, alter, change or modify any of the provisions of this Agreement. The decision of the arbitrator shall be limited to only the question(s) submitted to the arbitrator.
8. The arbitrator shall not substitute her/his judgment for that of the Employer where the Employer's judgment and actions are based upon reasonable cause and do not violate the written provisions of this Agreement. The arbitrator shall not render any decision which would require or result in an action in violation of public statutes. The arbitrator may make no award which provides the employee compensation greater than would have resulted had there been no violation.
9. The Employer, in no event, shall be required to pay back wages for more than thirty (30) calendar days prior to the date a written grievance is filed. However, in the case of a pay shortage (other than one resulting from misclassification) of which the employee could not have been aware before receiving her/his pay, any adjustment shall be retroactive to the beginning of the pay period in which the shortage occurred, if the Employee files her/his grievance within thirty (30) working days after she/he becomes aware of such shortage. All claims for back wages shall be limited to the amount of wages that the employee otherwise would have earned less any unemployment compensation, or additional or new wages for personal services that she/he may have received from any source during the period in question.
10. The arbitrator shall have no authority to establish wage and salary scales, rates on new or changed jobs, to change any wage or salary rate, or to change classification descriptions.

11. Excluded from arbitration are disputes and unresolved grievances concerning merit increases beyond the normal increases.
12. If a grievance is appealed to arbitration and the arbitrator finds no authority to rule on such case, the matter shall be returned to the parties without decision or recommendation on the merits of the case.

E. Restitution/Reinstatement

1. Should a decision be rendered at any step of the grievance procedure that the employee was unjustly discharged, demoted, or suspended without reasonable and just cause, the Employer agrees to reinstate the employee to the employee's former position effective the date of the discharge, demotion, or suspension.
2. Computation of any back wages or benefits, if appropriate, must include offsets for unemployment insurance, Workers' Compensation and benefits, and wages earned with other employers during the computation. Time limits in the steps may be shortened or extended by mutual written agreement of both parties.
3. Failure of the grievant to appeal a decision within the specified time limits shall be deemed a withdrawal of the grievance and bar further action or appeal. Failure of the Employer to render a decision on a grievance within the specified time limits shall permit its appeal by the grievant to the next step.
4. Steps of the grievance procedure may be waived in writing by mutual agreement of both parties. The grievant may withdraw a grievance at any step of the procedure. Grievances so withdrawn shall not be reinstated.
5. The Employer and the grievant may adjust a grievance without the involvement of the Union, provided the adjustment is not contrary to any of the provisions of this Agreement.

- III. In addition, the Employer shall have the right to make reasonable rules and regulations and change such rules and regulations as it may from time to time deem necessary and which are not in violation of this Agreement. If after publication and transmittal to the Union of rules and regulations, the Union has not processed a grievance alleging unreasonableness within ten (10) working days, the rules and regulations shall no longer be grievable. Thereafter, grievances related to rules and regulations shall be limited to their enforcement and penalties therefrom.
- IV. The Employer and the Union expressly agree that, except as abridged by this agreement, all powers, rights, and authority of the Employer are reserved by the Employer, and that the Employer retains sole and exclusive control over any and all matters concerning the operation, management, and administration of the University.

ARTICLE 29

NO-STRIKE, NO-INTERFERENCE, AND NO-LOCKOUT

- I. The Union recognizes that strikes by public employees are prohibited by Act 336, Public Acts of 1947, as amended by Act 379, Public Acts of 1965, and agrees that it will comply with said Act.
- II. The Union and its officials will not cause, support, or condone, nor shall any employee or employees take part in any action against or any interference with the operations of the University during the term of this Agreement.
- III. The University shall not conduct a lockout of bargaining unit employees during the course of this Agreement.

ARTICLE 30

SCOPE OF THE AGREEMENT

- I. The Employer and the Union acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.
- II. No provision of this Agreement, or any supplement thereto, nor the right of either the Employer or the Union under the terms of the Agreement shall be changed or altered in any way unless such change or alteration is agreed to in writing between the Employer and the Union.
- III. This Agreement shall supersede any rules, regulations, practices, or contracts inconsistent with its terms, unless mutually adjusted in writing by the Employer and the Union.
- IV. Such an adjustment between the Employer and the Union shall be made only after the Employer and the Union have agreed in writing that a particular program cannot be designed to comply with specific provisions of this Agreement.
- V. The written adjustment between the Employer and the Union shall specify which provisions of this Agreement shall be adjusted and how they shall be adjusted.
- VI. Any such adjustment shall apply only to the programs specifically mentioned therein.
- VII. In the event that any provisions of this Agreement shall at any time be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided for doing so, such provisions shall be void and inoperative. However, all other provisions of this Agreement shall continue in effect, and the parties shall meet for the purpose of rewriting the voided and any other directly affected provisions and those provisions only.
- VIII. Negotiations to modify, alter, amend, renegotiate, or change, or any combination thereof, the provisions of this Agreement shall begin no later than sixty (60) days nor earlier than ninety (90) days prior to the expiration of the Agreement.

- IX. Letters of Agreement, Letters of Understanding, and other memoranda reaffirmed as of the date of this Agreement shall remain in effect for the term of this Agreement unless otherwise agreed to by the parties.

ARTICLE 31

SAFETY

- I. The University and the Union shall cooperate for the purpose of eliminating accidents and health hazards. The University shall make reasonable provisions for the safety and health of its employees during their hours of employment. The University, the Union and the employees recognize their obligations and/or rights under existing Federal and State laws with respect to safety and health matters.
- II. The Union's Safety Committee shall continue to meet on a monthly basis with representatives of MSU Police, Environmental Health and Safety, University Engineer and Employee Relations for the purpose of having continuing dialogue on safety issues.

ARTICLE 32

EMPLOYEE ASSISTANCE PROGRAMS

Without detracting from the existing rights and obligations recognized in other provisions of this Agreement, the Employer and the Union agree to referring and encouraging employees having social-emotional afflictions to participate in a coordinated program directed to objectives of employee assistance. Upon request, employees shall be provided management released time to attend up to four (4) Employee Assistance Program appointments annually.

ARTICLE 33

FLEXIBLE APPOINTMENTS

- I. A flexible appointment involves full-time active employment for 9, 10, or 11 months per year with a prescheduled unpaid leave of absence with some benefits equivalent to full-time appointments, subject to the conditions set forth hereinafter.
- II. The department administrator shall identify in writing to MSU Human Resources the position(s) appropriate for flexible appointments, and shall include the following information:
- A. The position number, classification, name of incumbent (if any).
- B. How the position will be structured as a flex appointment (i.e., 9, 10 or 11 months), including a description of the work to be reduced in the case of a proposal to convert an existing full-time position to a flexible position.
- C. A description of the budgetary impact (i.e., efficiencies, wage savings, etc.) that conversion of the position is expected to achieve.

- III. The Union shall be provided notice of each request to establish or convert an existing full-time position to a flexible appointment and afforded an opportunity to provide input to MSU Human Resources.
- IV. The designation of a position as a flexible appointment must, to take effect, be approved by MSU Human Resources after receiving input from the affected employee.
- V. A flexible appointment may only be approved in order to achieve budgetary savings in the affected department.
- VI. Flexible appointments shall not be created for the purpose of transferring the entire responsibilities of those positions to persons who are not employed in the bargaining unit. The entire job of an employee on flex leave shall not be performed by persons who are not employed in the bargaining unit.
- VII. An incumbent shall not be laid off or downgraded in order to create or as the result of the creation of a flexible position.
- VIII. Once a position is officially designated as a flexible appointment, only flexible appointments are permitted.
- IX. Once approved, a flexible position shall maintain that designation until the department administrator submits a request, which must be approved by MSU Human Resources, that the position be designated otherwise, provided the Union is notified.

The conversion of a filled, flexible position to a full-time position, shall not take effect until a date not less than three (3) months after the conversion is approved, absent the assent of the incumbent.

A flexible appointment may be modified in accordance with this paragraph.

- X. In filling vacancies for flexible appointments, the flexible leave period shall be indicated on the posting.
- XI. For the term of the present agreement, no more than 100 positions in the bargaining unit may be designated as flexible appointments. This number may be exceeded by mutual agreement between the Union and the Employer.
- XII. Positions may be designated as flexible appointments only in one of the following circumstances:
 - A. with the voluntary assent of the incumbent in the position;
 - B. in filling a vacancy in an existing position; or
 - C. in filling a vacancy in a new position.
- XIII. Flexible appointees shall be considered regular employees.
- XIV. Unpaid leaves for flexible appointees shall be prearranged as part of the flexible appointment, and shall occur for periods of one month or more, up to a maximum of three months (in increments of one month).

- XV. A flexible appointee is required to signify her/his voluntary concurrence with the appointment and/or modification and the position's period(s) of unpaid leave. At the time when this form is presented, the employee shall be advised in writing of the length of time of the unpaid flex-leave, and the time or times when the unpaid flex-leave will be taken.
- XVI. The flexible appointee's benefit eligibility during active employment status and unpaid flex-leave shall be as follows:
- A. The employee will receive the full University contribution toward health and dental plans.
 - B. The employee will receive long-term disability and expanded life coverage, subject to all current eligibility requirements. (Employees otherwise eligible for long-term disability continue their eligibility during periods of flex-leave as well as during periods of scheduled active employment. However, long-term disability benefit payments do not begin during the flex-leave. The employee's base salary for the period of active employment prior to the flex-leave will be used to determine long-term disability benefits.)
 - C. The employee may maintain optional group life and optional accident coverage. Prior to a flex-leave, advance deductions for applicable employee contributions for health, life and accident coverage are automatically taken to cover the flex period. In the event that insufficient notice of flex-leave is received, MSU Human Resources will bill the employee for these amounts.
 - D. Educational assistance is available, subject to all other eligibility requirements.
 - E. Personal leave days will be credited as provided for in Article 11, Section IV.
 - F. Full service credit is given toward retirement, benefit eligibility waiting periods and vacation service months.
 - G. Paid leave accruals are proportional. Flex employees accrue leave as full-time employees during periods of active full-time employment. During a flex-leave, paid leave will not accrue and may not be utilized.
 - H. During active full-time service, the employee receives the University's contribution to the MSU 403(b) Base Retirement Program based on her/his regular wages. No University contributions are made while the employee is on a flex-leave with benefits.
 - I. All salary-related benefits (paid leave, employee paid life, 403(b) base retirement contributions, long-term disability, expanded life insurance, extended disability and longevity) are based on the employee's annual base wages.
- XVII. Flex-leaves may begin during a probationary or trial period. However, the time spent on the flex leave will not count toward completion of the probationary or trial period.
- XVIII. Employees may work for other employers or for the University in other jobs while on flex-leave.
- XIX. Flexible appointees receive their base wages during the period of active service and no salary during periods of flex-leave.

- XX. Employees will not be eligible for unemployment compensation benefits during periods of unpaid flex-leave, provided that the University has provided reasonable assurance that they will be employed after the flex-leave.
- XXI. Employees returning from flex-leave are assigned to their previously held positions, unless the circumstances of the University change to the extent that a position no longer exists. A flexible appointee affected by a layoff is covered by the layoff provisions of the Collective Bargaining Agreement. A flexible appointee who is affected by a layoff shall be given written notice as soon as practicable, but not less than that which is stipulated in the Agreement.
- XXII. Disagreements in the interpretation or application of this Article shall be subject to the grievance procedure and shall be processed at Step III. Unresolved disagreements may be submitted for ad hoc expedited arbitration.

APPENDIX I

MATERNITY LEAVE

- I. Upon request, an employee shall be granted a leave of absence up to one (1) month prior to the projected delivery date provided she has presented a physician's statement which indicates said date.
- II. Leave of absence for pregnancy granted in excess of one (1) month prior to the projected delivery date will require medical certification of the employee's inability to perform the duties of her position.
- III. The employee shall be allowed to remain on leave of absence for a period of eight (8) weeks following the actual delivery date without further medical certification.
- IV. Extensions of a leave of absence beyond the eight (8) week period require medical certification.

 - A. the Employer changes the job content (requirements of the job as to training, skill, responsibility and/or working conditions),
 - B. the job is terminated by the Employer or not occupied during a period of one (1) year, or
 - C. the existing grade levels are changed by mutual agreement.
 - D. The Employer shall notify the Union in writing of its intent to conduct structural unit reviews and provide the results of such reviews, internal or otherwise, that relate to Union classifications.
