Blue Care Network members enjoy peace of mind with health care coverage that travels

Coverage that travels

As a Blue Care Network member with BlueCard® coverage,* you can receive benefits when you're away from home, and so can your dependents.

Because some BCN plans pay only urgent and emergency services outside Michigan, check your coverage before receiving care. Refer to your *Certificate of Coverage* and related riders in your member account at bcbsm.com or call Customer Service at the number on the back of your BCN member ID card.

Arrange for care before you go

Check with your primary care provider to arrange for coordinated care and required authorizations. For behavioral health services — mental health and substance use disorder — call the number on the back of your BCN member ID card 24 hours a day, seven days a week. A care manager will evaluate your needs and help you arrange for services.

*This information is for members with the BlueCard benefit who are traveling or temporarily located outside Michigan. Please note, different guidelines apply to Blue Elect PlusSM POS and Blue Elect Plus HSASM POS members.

Blue Care Network is a nonprofit corporation and independent licensee of the Blue Cross and Blue Shield Association.

Away from home

If your coverage includes BlueCard, a program of the Blue Cross and Blue Shield Association,* you have nationwide access to BlueCard Traditional plan physicians and hospitals when traveling outside Michigan. Learn more about the BlueCard program by reading the disclosure document online at

bcbsm.com/bluecarddisclosure, or call Customer Service at **1-800-662-6667** to have a copy sent to you.

Confidence comes with every card

With the suitcase logo on your BCN member ID card, you're connected to BlueCard Traditional doctors and hospitals when you travel within the United States. Even if your card doesn't have this logo, you're always covered for emergency care anywhere you go.

You may have to pay your usual out-of-pocket expenses (deductible, copays and coinsurance) for services, but you shouldn't have any other upfront health care expenses if you use a BlueCard Traditional provider.

Pharmacy coverage

If your plan includes pharmacy coverage, your BCN member ID card is accepted at thousands of pharmacies nationwide, including most major chains, that participate with Blue plans.
