Get the most from your medication

Taking your medication as directed helps you get and stay as healthy as possible. These tips can keep you on track.

Fill your prescriptions on time. We offer convenient options for filling your medication so you never run out. Choose the one that’s right for you.

- **Pick up your refills at any CVS Pharmacy®.** With more than 9,900 locations, there’s always one nearby
- **Have refills delivered to your door.** You’ll pay just one copay* for a 90-day supply with no-cost shipping from CVS Caremark® Mail Service Pharmacy
- **Let us manage your refills.** Sign up for automatic refills at Caremark.com or in our mobile app

Stick to the schedule prescribed by your doctor. This helps your medication do its job and prevents hospital visits. Talk to your doctor or pharmacist if you have questions.

Start a reminder system. Set your mobile device or computer to tell you when it’s time to take your medication. Writing reminders on sticky notes or your calendar works, too.
