

New Leader Development Series

New leadership cohort starting in January 2027!

What will you learn?

Engage in **three unique learning tracks** designed to strengthen your leadership skills and support your professional growth. Let's grow your leadership together!

Essentials for Supervisory Success	Achieving Alignment in Management	Advancing Excellence in Leadership
Supervision at MSU	The Management Mindset	Leading the Way
Navigating the Work Landscape	Budget Responsibilities and Ethical Finance	Successful Change Leadership
Successful Supervision Across Multiple Locations	Creating a Culture of Continuous Improvement	Elevating Inclusive Practices: Utilizing the Climate Assessment Toolkit
Strategic Workforce and Staffing	Conflict Resolution in Action	The Resilient Leader
Dynamics of the Union Environment	Elevating Performance Management	Leading in a Strategic Organization
Employee Leave Programs	Engaging and Empowering Teams	Reflecting, Connecting & Leading Ahead
Creating an Inclusive Workplace	Authentic Management Styles using DiSC	Strengths-Based Leadership using CliftonStrengths

Take the next step in your leadership journey!
