

MICHIGAN STATE
UNIVERSITY

2022

RETIREMENT AND
SERVICE AWARDS
CONVOCATION

Dear Colleague,

I want to congratulate you on your dedicated years of service to MSU. We usually recognize MSU employees like you who are celebrating a 15, 20, 25, 30, 35, 40, 45 or 50 work anniversary or retirement falling between March 1, 2021, and December 31, 2021, with a ceremony and reception at the annual MSU Retirement and Service Recognition Awards Program in the spring.

Unfortunately, we must take every precaution to safeguard and promote the safety of our employees, retirees, and guests.

We are incredibly disappointed that we cannot celebrate our employees at this event for their talent, loyalty, and contributions to MSU. Our university's development and growth have been, in large part, due to the contributions made by staff members like you, particularly those who have chosen to remain in the service of the university.

Again, congratulations, and know while we are unable to gather together to celebrate, we thank you for your talent, loyalty and contributions to Michigan State University.

Sincerely,

Rick Fanning

Interim Vice President

MSU Human Resources

Michigan State University has been advancing the common good with uncommon will for more than 160 years.

Our university's development and growth have been, in large part, due to the contributions made by its staff members, particularly those who have chosen to remain in the service of the university.

This occasion is dedicated to those who have served the university through the years of its greatest development. It is a tribute to those who have found satisfaction in helping others and creating an impact for a better world.

The university thanks you for your talent, passion, loyalty and contribution to our shared purpose.

Spartans Will.
