**May 15, 2023**

Kellogg Center  
Big Ten Rooms

# Dear Award Recipients

---

Michigan State University has been advancing the common good with uncommon will for more than 160 years.

Our university's development and growth have been, in large part, due to the contributions made by its staff members, particularly those like you who have chosen to remain in the service of the university.

This occasion is dedicated to those who have served the university through the years of its greatest development. It is a tribute to those who have found satisfaction in helping others and creating an impact for a better world.

The university thanks you for your talent, passion, loyalty and contribution to our shared purpose.

**Spartans Will.**
